

Teachers In Venice To Receive Pay Boosts

Monthly Increases Of
\$16 to \$45 Each Year
Of Two-Year Schedule

The Venice school board adopted a two-year salary schedule for teaching personnel Tuesday night. Pay this year will vary from \$528 a month for first-year teachers with bachelor degrees to \$766 for the holders of master degrees with 10 years' teaching experience within the district. Next year, the range will be \$544 to \$811.

The salary increases vary from \$16 to \$45 a year. Last year's salary schedule was \$511-\$666 for bachelor degree teachers, and \$566-\$772 for master degree teachers. The 1960-61 schedule is \$528-\$771 and \$583-\$766, and the 1961-62 range will be \$544-\$755 for bachelor, and \$600-\$811 for master degrees.

Board President Lester Salem called the two-year schedule "very similar to what has been adopted in Granite City and probably better, since the maximum rate can be reached in 10 years." The Granite City schedule runs over a 12-year period, and that of the Madison school district 13 years.

Fringe benefits adopted together with the salary schedule after members of the school board met with a committee representing teachers in the Venice system included a provision for 10 days' sick leave per school year, accumulative to 70 days.

In its initial offer in the spring, the board had proposed 15 days, but upped the total by an additional 10 days after lengthy discussions with the four teacher representatives, Mrs. Cristiana Ponce, Miss Patricia Mosley, Robert Vickers and Norman Owens.

However, the teachers' requests for inclusion of a severance pay clause and emergency leave provisions were rejected by the board.

The teachers' representatives originally had requested 10 days' emergency leave a year, but deferred Tuesday night to cut that figure in half. Still, the board was reluctant to make provisions for an emergency leave, since the determination of its necessity would be difficult.

"Anyway, none of our teachers has ever been downed off legitimately taking time off," he said. Vickers and Owens proposed that an emergency leave clause be included in the contract, and that the "final" decision on such matters rest with the building principal and the school superintendent, John O. Pier. However, the board rejected this suggestion.

The severance pay proposal by the teacher committee was turned down by the board "because our attorney advises us that such a provision is illegal," Salem told the four who attended the special meeting prior to a regular board meeting.

Vickers said his committee was thinking mainly of teachers at or near the retirement age in making the proposal for a severance pay clause, under which a teacher retiring or leaving the system would receive compensation for unused sick leave.

"We think it would provide an incentive and save the district money in the long run," Vickers said, and cited arrangements which he said are similar to the proposal in other school districts, namely Granite City and East St. Louis.

Salem replied that "legally" the school district cannot pay a benefit for anything other than actually teaching. Severance pay would be doing just the opposite.

Solons May Call Quick Vote On City Manager Issue

Granite City council members may call a quick election on the city manager form of government issue.

The city received official notification during Tuesday night's council session from County Judge Michael Kinney that a hearing is set for 1:30 p.m. next Monday in his court on petitions filed with the county clerk Aug. 17 by the local Citizens for City Manager group.

Upon receipt of the hearing notice, Alderman Walter Nunn commented the city should set the election date in the 30-day minimum period after receiving instructions from Judge Kinney. Under the law, the council is to set the election date not less than 30 days nor more than 120 days after receiving the court's instructions.

The petitions requesting an election in Granite City on the adoption of a city manager form of government contained approximately 1500 signatures, and next Monday's hearing will be to test the validity of the petitions.

Similar petitions presented to the county court by residents of Edwardsville were approved last week during a hearing before Judge Kinney, who issued an order to the Edwardsville city council to set an election date by one appeared in opposition to the Edwardsville petitions.

Bi-State Agency Elects New Chairman

Preston Estep Succeeds
Roos; Name Col. Smyser
Executive Director

Preston Estep, St. Louis banker and vice-chairman of the Bi-State Development Agency, yesterday was unanimously elected chairman of the agency, succeeding Charles M. Roos, Belleville consulting engineer, who had served in that capacity for the last year and a half.

The commissioners also unanimously elected Roos as vice-chairman. Other officers of the agency remain unchanged. They are: Gale F. Johnston, retired St. Louis banker, treasurer; Herbert S. Wilhelm, Collinsville, executive secretary of the East St. Louis Central Trades and Labor Council, secretary, and J. F. Schaffly Jr., Alton attorney, chairman of the executive committee.

Estep, 46 years old, is a graduate of the University of Missouri and has been a member of the University of Wisconsin. He has been active in a variety of civic affairs and is associated with numerous business enterprises.

Roos, retired manager of the East St. Louis and Interurban Water Co., asked the agency to accept his resignation as chairman, effective Oct. 1, after more than a year of his consulting work and other business interests.

In taking the chairmanship, Estep said, "I am confident that with the guidance and assistance of Mr. Roos and other devoted members of the agency, Bi-State is prepared to meet the major community challenges which fall within the jurisdiction of this public agency, now that it possesses the legal authority it needs for effective action."

"Great achievements cannot be expected overnight, but Bi-State is ready to move ahead on those economically feasible projects with which it can concern itself under the laws of Missouri and Illinois."

New Executive Director
The commissioners also accepted the resignation of Milton Kinney, former St. Louis engineer, who had been executive director of the agency since 1949. Kinney, 54 years old, was a member of the United States Army and had been in the agency since 1949. He was replaced by Preston Estep, 46 years old, who was a member of the United States Army and had been in the agency since 1949.

Undergo Surgery
The following are recovering at St. Elizabeth Hospital from surgery which they underwent this week: Anna L. Liles, 27, 1943a Delmar avenue; John Stites, Mr. Olive; Minna Bryant, 1615 Fourth street; Madison; Janis Courtney, 2840 Palmer avenue; Ruth Von Schmitt, 2432 Ohio avenue; David Wortman, 4200 Maryville road.

GC Group Forming
To Support State
Bond Issue Nov. 8

A Granite City committee to promote the state universities bond issue in the forthcoming November election met Tuesday evening and elected Andrew Gasparovic III, a local real estate agent, as chairman.

The group plans to meet again at 8 p.m. Sept. 19 at the Lambert Agency, 1831 Delmar avenue, and interested individuals are invited to join by contacting the members.

The chairman said that by 1970, Illinois will need to provide space in college for 115,000 more students than now are attending universities. "It is necessary for the state to attempt to finance much needed university buildings by means other than through general revenue funds," he concluded.

Open Verdict In Portell Death, Inquest Rules

Due to the length of time
Vincent B. Portell had been dead
to find his body, the
cause of death—whether by
drowning, beating or natural
causes is impossible to deter-
mine, an inquest last night dis-
closed.

A pathologist's report presented at a public inquest conducted last night by Deputy County Henry Pieper, failed to list a cause of death.

No new developments in the suspected murder—robbery case were unveiled at the inquest, but Police Chief Raymond Willard said today he is still checking new leads in the brutal slaying of Portell, 66, whose body was found by two squirrel hunters in the Mississippi River Aug. 23.

Several suspects still have not been cleared, the chief said, but declined to supply any detail that might aid the killer. Robbery is still believed to be the motive.

Accidental Shooting
Accidental death was the verdict of the death of Ronald Dale Cooper, 10, son of Mr. and Mrs. Richard Max Cooper, 707 Twenty-ninth place, slain Friday when a playmate discharged a 12-gauge shotgun, Pieper reported.

The playmate, Clifford Boker, 9, told police the gun fired accidentally when the cocked hammer slipped out from under his thumb. The Cooper boy was in the line of fire.

Henry Tripp, 57, of 2653 Lincoln avenue, stricken while at work at Union Starch & Refining Co. last Thursday, died of natural causes, the inquest ruled. He had been suffering from a heart condition.

Accidental death by drowning was the verdict of the slaying of John Sanders, 21, of East St. Louis, who died Aug. 28 while swimming in the Mississippi River. Sanders was a half-mile north of the U. S. Highway 40-66 bridge of the east bank, Deputy County Pieper reported.

County Health Department Vote Petitions Filed

It appears likely today that voters in Madison county will take action on the establishment of a county supported and operated health department at the November elections. Petitions requesting the election were filed late Tuesday afternoon at the office of County Clerk Eulalia Hotz.

According to figures released by Miss Hotz, 7356 or 74% of the 98,237 registered voters in Madison county, affixed signatures to petitions requesting County Judge Michael Kinney to call a referendum in November.

The valid signatures of at least 5% of the registered voters in at least two-thirds of the county's 14 townships are required by law before such an issue can be placed on the ballot.

Hearing May Be Set
Judge Kinney may set a date for a routine hearing to determine the validity of the signatures, but that they "would have to be in sufficient time to have ballots printed."

The question to be determined during the general election is whether or not the establishment, maintenance and financing of a county health department shall be authorized, and whether or not county shall be authorized to levy additional taxes.

Approximately 6% of the 36,802 registered voters in the Granite City, Nameoki, Venice and Chouteau townships signed petitions circulated in this area by proponents of the plan.

In Granite City township 1609 or 7.9% of the 20,214 registered voters signed. The figures were: 8% in Nameoki, 4.8% in Venice, and 5.8% in Chouteau township.

Air Products Workers
To Join Steelworkers
Seven production and maintenance employees at the Monroe street plant of Midwest Air Products, Inc. voted unanimously today in a National Labor Relations Board election to be represented by the United Steelworkers of America.

The election was conducted Tuesday for the first time in the office of the plant superintendent at 2204 Monroe street. No other unions were listed on the ballot.

The results is to be certified by the St. Louis NLRB office.

Area's Birthrate For Year
Slightly Under '59 Figure

Births during August, running true to form, dropped slightly, but brought the yearly totals to within a few hundred of the first eight months of 1959, according to vital statistics compiled by Granite City Clerk A. Stevens for the entire Quad-City area.

The totals through August 1960 show 881 births, 278 deaths, and 14 stillbirths, compared to 887 births, 272 deaths and 14 stillbirths for the first eight months of 1959.

The monthly breakdown indicates an increase in deaths and stillbirths for August 1960, while for the same month in 1959, the figures were: 88 births, 28 deaths, and 12 stillbirths.

Records Shattered Again; 1778 Quad- City First Graders

Records have been shattered again as the Quad-City school enrollment continues to expand with the opening of each new school term. Tabulations this week after the last of the opening day turnouts showed 16,560 students attending classes, and the total is still likely to grow.

Included in the figure are a record 1778 first grade children, maintaining a trend of continually larger groups than the classes currently progressing upward through local school systems. The enrollments indicate that present Quad-City high school enrollment of about 400 to 500 will increase to well over 1000 within a few years.

Counts today revealed 11,062 in the Granite City community school district, 1848 in Quad-City parochial schools, 2789 in the Madison school system and 851 in the Venice school district. Parochial and Granite City schools opened Tuesday eight days after the start of the Madison and Venice 1960-61 terms.

The 16,560 total compares with opening-day turnouts of 15,739 on the first day and 2732 Madison, 752 Venice and about 1840 in the parochial schools.

Gain Of Over 300 In Year
A year ago, enrollment was 15,738 on the first day and had reached 16,148 by Sept. 21. With more local students expected to start school in five days, the 1960-61 total is likely to rise to about 16,700, school officials estimated.

Today's 16,560 tabulation consists of 14,712 public school pupils and 1848 enrolled in the five Quad-City schools operated by Catholic parishes.

A different breakdown of the 16,560 shows 1277 in the 11th through twelfth grades and 13,323 in kindergarten through the eighth grade—1493 kindergarten and 11,830 in the first through eighth grades.

Breakdown By Grades
Quad-City elementary totals beside the 1493 kindergarten and 1778 first grade students include 598 in the second, 1616 in the third grade, 1465 fourth grade, 1418 fifth grade and 1308 sixth grade.

Seventh graders number 1326, eighth graders 1293, ninth graders 1241, and tenth graders 1145. The total for the eleven graders 635 and twelfth graders 592.

Current parochial school enrollment figures for the descending enrollment figures is the increase in the dropout rate for the first time in 1960. However, this is believed also to reflect the local population gain, which is a family with 15 young children.

Hot Weather Creates
Record Power Demand
Illinois Power Co. customers in this area made the greatest use of their electrical appliances in history during the past seven days in an attempt to beat the heat. The record was set Tuesday when thermometers hovered at the 100-degree mark.

According to E. G. Schmitt, local Illinois Power Co. manager, electric use rose a new 1960 peak demand on Wednesday, Aug. 31, and that mark was broken the next day, then on Tuesday, Sept. 6, a new, all-time high of 771,000 kilowatts was established.

Illinois Power Co. also reported new peak electric demands as hot weather spread over the entire state and most electric fans and air conditioning units were in constant use as a result.

Schmitt said that Illinois Power Company's generating stations have a capacity of over one million kilowatts, considerably more than was needed to meet customers' requirements during the period of peak demands.

Local Mayors Proclaim 'Union Label Week'

The mayors of the three local communities have proclaimed this week to be "Union Label Week" in cooperation with an observance being conducted by the Tri-City Trades and Labor Council. It was announced during last night's meeting of the Trades Council by President Edwin Reiske.

In the proclamation, Mayors Davis, Maerz and Lee urged Quad-Cityans to recognize the trade union movement and its long history of service to working people by purchasing products and services identified by traditional emblems of union workers — the union label, shop card and service button.

Recovering From Surgery

Mrs. Vada Culpen, 2456 Sheridan avenue, is recovering at Christian Welfare Hospital, East St. Louis, from major surgery which she underwent the past week. She expects to return home early next week.

Retrospective Schedule

The entire schedule will be retroactive to Aug. 29 of this year, the first day of school in the Venice system.

No action was taken on the final 1950-51 school district budget, but board members said there probably will be slight increases in at least two categories when the board convenes for that purpose on Sept. 19.

Instruction costs under the educational fund may rise slightly due to the addition of a guidance counseling department, and cafeteria costs also are expected to be up, both to be reflected in the final budget figures, board members said.

A tentative Venice school district budget drawn up in early July totaled \$643,280, up \$26,925 from the 1950-51 budget.

Two Injury Claim Notices Presented To City Council

Notices of two claims being filed against the city were received Tuesday evening by Granite City council members who approved a short time later payment of \$9888 premium to an insurance firm for coverage in such cases.

Both claims are based on injuries suffered in the summer. Frank Demaree, father of Stephen Michael Demaree, a minor, of 1332 Poplar street, notified the city his son was hurt last June 20 at a city excavation near the alley at the west side of Maple street. He said there were no barricades

and the excavation was covered by boards, one of which fell, striking his son. The other notice was received from the attorney of Mrs. Lorene Damo, 2004 Washington avenue, who said she was injured last July 30 about 5 p.m. while stepping off a curb on the east side of Iowa street about 175 feet north of East 20th street. The notice states the curb was broken and that Mrs. Damo suffered injuries to her right ankle and leg. Both notices were referred to the city attorney.

Three Minor Fires Reported In 3 Days

Granite City firemen answered three minor fire calls in the past three days. Burning trash at 1224 Niedringhaus avenue blew out of a barrel and was extinguished with no loss reported at 8:45 p.m. Tuesday. An overheated motor in an attic fan at the home of Joseph Shane, 1429 Norwood Drive, was extinguished at 10:35 a.m. Tuesday with no loss; and a car fire at 12:12 a.m. today at 19th street and Delmar avenue, resulted in \$50 damage to a 1958 auto owned by Thomas Burgess. Firemen said a backfire through the carburetor caused the fire.

Granite City Teacher Appointed Math Consultant

Mrs. Gussie Phillips, mathematics honor teacher in the Granite City high school, has been appointed a consultant under the National Defense Education Act, George T. Wilkins, a state superintendent of public instruction, announced today. The education program, Wilkins said, is intended to aid in the improvement of teaching science, mathematics and modern languages.

Goza Twin Dies Today At Hospital

Donald Wesley Goza, one of twins born at St. Elizabeth Hospital at 3:30 a.m. yesterday, died there at 5:30 a.m. today. The other twin is Donna Lee Goza. The cause of death has not yet been determined. The parents are Mr. and Mrs. Donald Goza, 2808 Enzlee street. Other survivors include a sister, Penny Sue Goza, a brother, Claude Henry Goza, and grand-children Mr. and Mrs. Claude Roseman and Mrs. Pauline Wilbanks, all of Granite City.

Youth Released On \$200 Property Bond

Louis Mank, 18, of 2625 Highway 67, was released Tuesday on \$200 property bond after pleading innocent before Police Magistrate Gasparyvic to charges of reckless driving, disorderly conduct and congesting traffic. He is to appear for a hearing Sept. 16. Mank allegedly was one of a group of boys stopping cars and trying to start a fight at Madison avenue and Nameoki road at 12:03 a.m. Sunday. The complaint was signed by Wilbur Cruise.

Bi-State Agency

(Continued From Page 1)

A graduate of West Point, he has had wide engineering and administrative experience, and was St. Louis District engineer from 1946 to 1949 during construction of the \$50 million Chain of Rocks Locks and Canal.

Holder of engineering degrees from several universities, he also had numerous military assignments of note, including chief engineer of the Eighth Air Force during world war II when he was in charge of the construction of 100 airfields, each with 6,000 foot runways, and 10 major depots.

From 1944 to 1946, he was commanding officer of engineers in France and Germany in full charge of military units and civil engineering averaging 18,000 persons responsible for 150 major projects, in addition to the major rehabilitation of Paris Berlin and Frankfurt.

Powers of Agency

Under law, the Bi-State Agency is empowered to purchase, lease, plan or construct bridges, tunnels, airports, wharves, docks, harbors, warehouses, grain elevators, sewage disposal plants, passenger transportation facilities and air, water, rail, motor vehicle and other terminal facilities.

SIU Schedules Fall Registration Dates

Registration at the Carbondale campus will begin Sept. 16 in Alton and East St. Louis. Registration at the Carbondale campus will begin Sept. 16 in Alton and East St. Louis.

Seniors will register in the morning and juniors in the afternoon. The following day, Saturday, Sept. 17, will be allocated to sophomore registration with Monday, Sept. 19, reserved exclusively for the registration of freshmen.

Unclassified and graduate students and those unable to register during the reserved times may enroll Tuesday, Sept. 20. Students interested only in evening or Saturday classes may register any evening during the registration period or Saturday morning, Sept. 17.

Woman Pleads Innocent To Petty Larceny Charge

Josephine Frazer, 36, of 2310 East 21st street, was released on \$500 property bond after pleading innocent to a petty larceny charge before Police Magistrate Gasparyvic yesterday. She was arrested at 20th and State streets Tuesday evening, on a warrant charging disorderly conduct, for which she posted \$16 cash bond. The conduct charge was withdrawn in lieu of the petty larceny charge, and a hearing is set for Sept. 28.

GC Continues Study For Animal Shelter Site

After the Granite City council's Sanitation committee, instructed two weeks ago to make a study of potential animal shelter sites, failed to submit a recommendation Tuesday night, the aldermen approved further studies and, if necessary, authorized the committee to option the site, subject to council approval at its Sept. 19 meeting.

At the urging of Alderman Charles Meyer, council members reluctantly voted on the disputed "Block F" tract at Edwardsville road and East 19th street, offered to the city by Granite City Steel Co. The site was rejected by a vote of 10 to 2.

Urgency In Finding a Site

Urgency in finding a site was stressed by Partney, who said the city dump is to be razed within a short time for new highway construction. With the rejection of the "Block F" tract, and elimination of the \$1 annual lease site at 22nd street and railroad track site because of a costly sewer connection, the committee, headed by Alderman Frank Nemeth, is to search elsewhere.

Watch Valued At \$1000 Taken; 6 Thefts In Area

Six burglaries and thefts reported to police and deputies in the Quad-City area this week included the theft of cash and wrist watch valued at \$1000 from a residence Tuesday afternoon. A wrist watch valued at \$1000 and a small amount of cash were stolen Tuesday afternoon from the home of Carl M. Lomax, an official of the S. M. Wilson & Co. construction company here, according to a report to the county sheriff's office.

Coin Machines Looted

An undetermined amount of money was taken from Bud's Standard Service Station, 20th and Benton streets, last night, operator Otto Gonnell reported to Granite City police today. He said when he opened the station this morning he found the cigarette and soda machines broken open, the cash boxes in a waste basket and under a desk. Gonnell said he does not know the amount of money taken.

Entrance Gained through Window

Entrance was gained through a window in the east side of the building, broken in an earlier break-in. The window opening, temporarily repaired with a plywood covering, was so small that only a boy or small man could have entered, Gonnell said.

Mechanic's Tools Stolen

A window at the rear of Blanton's Service station, 13th and Edwardsville roads, was broken Tuesday night when the building was entered and a box of assorted mechanic's tools stolen, owner Charles Blanton reported to Granite City police.

Involved Missing

Jack Reese, operator of the Reese Drug Store's office and warehouse at 1909 Cleveland Blvd., reported to Granite City police yesterday that some reports and invoices are missing from the office. A large roll had been used to break the front door glass, it was discovered Monday, but at the time Reese thought nothing inside had been disturbed.

Old Shotgun Taken

A burglar forced open a night latch on a rear door at the home of Melinda Childers, 2901 Roosevelt street yesterday between 5:30 p.m. and took an old-model 16-gauge single barrel shotgun. Mrs. Childers told Granite City police.

She Said the Weapon had a Nomenclature

She said the weapon had a nomenclature firing pin and no serial number. The burglar also searched the bedroom, she said, and ransacked a purse, but apparently nothing was taken. A man with whom he had arranged to ride to California with suddenly cancelled the trip when he drove off from 19th and State street Tuesday evening. Don Noel, 201 Franklin avenue told Granite City police.

Car Contained Noel's Suitcase

He described the car as a green 1950 model bearing California license plates. "John Bull" is the English prototype of "Uncle Sam."

Disturbance, Firearms Charge Against Woman

Mrs. Frances Lewis, 42, of 2629 Benton street, posted \$32 cash bond yesterday with Granite City police pending a hearing Saturday on charges of creating a disturbance and illegal use of firearms.

Police said Mrs. Lewis fired a shot in the air with a pistol early Sunday, apparently in an attempt to summon help after her husband, Raymond Lewis, threw a bottle at her during an argument. Mrs. Lewis, police said, was unable to get to a telephone to summon aid, add so brandished the pistol. Police found her in the 27th street parkway and obtained the gun.

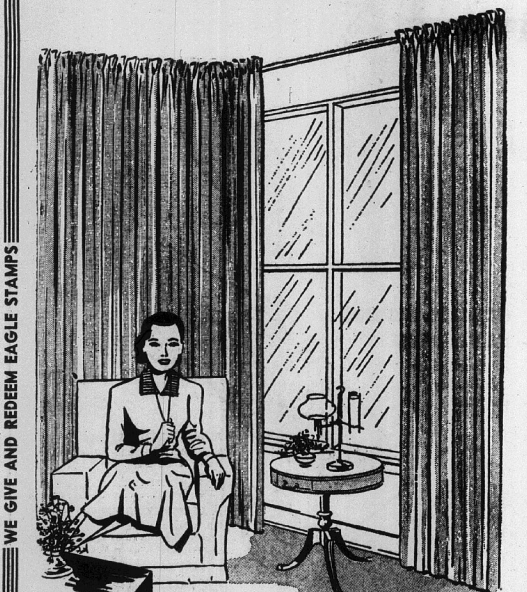

Voter Register In Venice, Eagle Park

Miss Eulalia Hotz, clerk of Madison county, announced today that Mrs. Emma Morgan of Madison, will serve as her special voters' registrar in the Venice and Eagle Park areas. Mrs. Morgan will be at Venice Memorial Center on Sept. 23-24, from noon to 8 p.m.

Additional registration assignments also were announced by Miss Hotz as follows:

Sept. 10—Wilson school, 9 a.m. to 5 p.m., Miss Margaret and Alvina Schlemmer, deputies of Miss Hotz, registrars. Sept. 10—St. Elizabeth Catholic school, 9 a.m. to 5 p.m., Mrs. Irene Snider, registrar.

CITIZENS Demand Action

Mrs. R. E. Chapman and Miss Lucille Macleod, members of the citizens' Animal Shelter Board, said for permission to seal and said petitions were being circulated calling for the council to take immediate action toward starting an animal shelter building. "We have over 350 names of interested local residents, and we'll have more."

Miss Macleod reminded council members the citizens are becoming concerned over the possibility of an increase in stray animals if the dog pound at Edwardsville road east of the Blue Furnace plant, "That" near the railroad crossing and appears to be of no value," Nonn said.

When first called upon to report on his findings, Nemeth told Alderman Rufus LeMaster, who presided in the absence of Mayor Davis, his committee had no recommendation.

Driver Held, Pleads Innocent To DWI Charge

Charles W. Marcell, 37, of St. Louis, is being held pending bond after pleading innocent before Police Magistrate Nemeth this morning to charges of driving while under the influence of liquor and failing to yield right-of-way. The arrest followed an auto accident on 20th street at Cleveland Blvd. about 9:50 p.m. yesterday. The driver of the other auto, Dorothy Garin, 28, of East St. Louis, also was arrested and charged with driving without a license. She posted \$10 cash bond pending a hearing Saturday.

Conditioning, Depth Worry Grid Coaches

GC To Map Defense For Pioneers; Trojans Drill On Wing-T Formation

With the opening games of the season only eight days away, head football coaches Andy Sullivan of Granite City high school and Glen Pickering of Madison are seriously concerned with two different problems as their clubs continue long practices in unseasonably warm weather this week.

Sullivan, already resigned to the lack of apparent speed among his backs, voiced anxiety over being able to adequately staff all positions with an unusually small team as far as numbers are concerned.

The Warriors drilled most of this week on perfecting their defense, one of the strongest and most stingy as far as opponents were concerned last season.

Next week, Sullivan will harp on defense again or, more directly, on how the Warriors must curtail the single wing offense most likely to be employed by Assumption's Pioneers in the season opener here Sept. 16.

"We're about two deep at every position," Sullivan revealed, so Granite City has no worries there. "I'm more concerned about conditioning than anything else. We're never ready for that first ball game," he added.

CITY CHAMPS in the Midget division of the Granite City park district baseball leagues were these members of the Maryland Marit squad. Kneeling (left to right) are Harry Briggs, Steve Fraley, Larry Frazier, Tom Boyner, James Tomlin and Craig Sappington. Standing (left to right) are Coach Art Frazier, Sonny Stark, Rickey Whitley, John Pomeroy, Ray Snellson, Jim Pomeroy, Dale Wadlow and Manager Paul Fraley. Absent was player Benny McMillan.

terminor Bob Hoffek probably will go on the other end of the line.

Seasoned Line

In between the Warriors have depth and experience almost everywhere, but lack speed. Another boy seeking his first letter, John Piese, has showed well at left tackle, and senior Ron Burton has been swimming with the varsity at the other tackle spot. Behind these two are letterman Don Hindell, Mel Barron and Terry Tittsworth.

At Lewis and Denny Hamrick are running 1-2 in the race for left guard, while experienced senior Bill Haidings looks like the right guard for the opening game. Still another nonletterman, junior Bob Cruise, is the top candidate at center.

Wallace, who played halfback last season and slid into the field general position when graduated Jim McKeehan was injured, was first used at fullback this year, since he is probably the most difficult of all Granite City's runners to deck.

But because of his previous experience and resulting know-how, plus the lack of backfield speed, Wallace has been moved back behind the center in Granite City's split-T offense.

The senior letterman is possibly the Warriors' best passer and in the relatively slow line and backfield, could do more than the normal amount of throwing this season.

Wing-T At MHS

Down on the Madison practice field, which was used twice last Saturday and again on Labor Day morning as Coach Pickering raced the Trojans to get his small squad into shape, the Trojans were concentrating mostly on offense.

This was necessary since Pickering is teaching a crew of 33 candidates, including seven lettermen, an offense new to most of them—the wing-T.

"The boys are picking it up pretty quickly," said "Pick," who had more than limited success with the same formation in three years as head grid coach at Sparta, where his teams compiled a 15-10-2 record.

Offensive plays off the wing-T, which is not seen often around these parts, continued this afternoon at Madison, with junior Mike Gravelle calling the signals.

Quarterback Needs 'Polish'

A non-letterman, Gravelle quarterbacked the sophomores club last season. "He lacks experience and needs polish," Pickering said, but is the leading candidate for the job. The Madison coach also had given all-conference End Ed Walker and Guard Frank Kitchen shots at the signal-calling slot, but moved Walker back to his right end position this week, while Kitchen will stay in the backfield.

The Trojans will butt heads in the first pre-season intersquad game tomorrow afternoon, and Pickering said his offensive lineup will include Gravelle at quarterback, junior speedster and letterman Ken Griggs at left half, transplanted lineman and likewise letter winner last year Carl Davy at center and the other halfback position at

New Jr. High Athletic Group Is Organized; Venice Joins

A new Tri-County athletic conference for junior high school students in the Venice, Hartford, Southwestern of Medora, Wood River, Bethalto and Jerseyville school systems has been formed.

Initial endeavor by the new group will be the instigation of a flag football season which will begin on Sept. 16. The schools also will compete in winter basketball and spring light and heavyweight track.

All of the member schools with the exception of Jerseyville will compete in flag football this fall, and Jerseyville plans to enter that phase of the program in 1961.

Venice seventh and eighth grade teams in football, basketball and volleyball will be coached by Roger Davis. Venice formerly competed in track and basketball with grade schools in the school district where high school teams were members of the Madison-Bond-Clinton Counties conference.

The flag football program is being underwritten at Venice for the first time, as is the case in most other schools who are members of the new group. Madison junior high school began playing flag football in its conference last fall.

Park's Touch Grid Season Opens Sept. 24

The Granite City park district's fourth annual season of touch football for boys will open on Saturday morning, Sept. 24. Park Recreation Director Harold Brown said today.

Two leagues, one for boys nine and 10 years of age and the other for boys 11 and 12, will be formed this year, with about 20 teams expected to enter the competition for ribbons and recreation awards.

An organizational meeting will be held Saturday, Sept. 17, at 9:30 a.m., on the Wilson Park softball diamond for the purpose of forming teams and drawing up league schedules. Team tryouts also will be held at this time, and individual boys as well as teams already formed are invited to attend, Brown said.

No entry fees will be charged to residents of the park district. Boys who reside outside the park district will be assessed a \$1.50 fee. Team rosters will be limited to 12.

The rules of the game will be similar to those followed last year, with six of a team's players forming the offensive team, and the remaining six the defensive team. Two-hand touch rules will be in effect, with a team required to advance the ball 20 yards for a first down.

A big, fast sophomore, Terry Andrews, at fullback.

The ends will be Walker and Nick Evlow, the latter a senior and non-letterman. At tackles will be two seniors with lots of experience, Mike Harris and Willard Woolfolk.

Problems At Guard

But if the Trojans are set at tackle, just the opposite is true at the offensive guard positions, where Norman Stawar and Fred Becker, both seniors and non-lettermen, will try to fill the bill. Starting at offensive center will be a senior letterman, Shirley Barton.

Halfback Ed Young, who lettered as a sophomore but will be lost to the squad for at least another two weeks due to a pre-practice injury to his left knee, is expected to add speed and depth to the backfield when he does report for duty, but Pickering does not expect the junior to be in playing condition until at least the second game of the season.

Kitchen Will Alternate

Kitchen probably will see double duty in the backfield, alternating between halfback and quarterback. "We'll just have to wait until the first game to see," Pickering offered. "We sure don't have much depth, but the boys are rounding into real good shape, and if we don't get somebody hurt we could go."

Another Saturday morning workout is on tap for the varsity, and Pickering plans to give the first serious consideration to defense, especially pass defense, then.

Madison's defensive hopes were bolstered considerably this season when big (275-pounds) Willie "Tojo" Boyd became eligible. He is expected to be a rock at middle guard, and "he's very fast for a lineman" according to the Madison mentor.

Hazards of School Transportation Program Amplified by Railroad Crossings

The program of transporting school children is a big business and, as shown by this week's events, a hazardous business. Only brief seconds separated Tuesday's train-bus crash from one of the worst opening-day tragedies in the history of American schools.

Single-level train and vehicular crossings inevitably pose a threat, and it is good to know that the new highway overpass being built at Mitchell will eliminate most of the problem in that area. In addition, it might be possible to reduce the number of grade crossings encountered by buses through revamping school zone boundaries.

Progress has been made in the Quad-Cities by improving bus safety standards, installing lights and signs at school stops and altering bus routes. But, the crossing collision emphasizes the need for unrelenting attention to school children's safety at all times.

Medical Care Low To Aid 12,000,000 Elderly Living On Limited Income

The new federal law on medical care affords aid for the aged whether they are on public assistance rolls or not. It is expected to go into effect Oct. 1, but the starting dates will vary since each state will administer the program within its boundaries.

The compromise legislation eliminates the proposed increase in social security contributions, but it establishes a program that in many states will utilize existing organizational structures and experienced staffs. The goal is to provide more medical aid for the 2,400,000 already receiving assistance, and aid for the 10,000,000 elderly not on the rolls but hampered by limited income.

Benefits are expected to vary widely, but a mechanism has been created that could cover 75% of all those over the age of 65. Outlay in the first year is estimated at \$202,000,000 by the federal government and \$61,000,000 by the states. As more states join in and the extent of participation rises, these amounts may hit \$340,000,000 and \$180,000,000 by the fifth year.

While each state will have wide latitude in setting eligibility standards and in determining the type and amount of payments, it seems sure that the new program will be helpful to the many older people caught in the squeeze of post-war monetary inflation. Though criticized by some as too conservative an approach, the new law appears to be a sound step. Any future amendments or additions can be planned on the basis of its effectiveness.

Most people are limited by their inability to appreciate others.

Over 90% In Captive Nations Listening To Freedom Broadcasts

On the tenth anniversary of Radio Free Europe this week, it is interesting to note recent surveys among refugees from Iron Curtain countries which show that over 90% of the people listen to the broadcasts. It is not only the world's most powerful but the most effective radio network broadcasting to the captive nations of East Europe.

A non-profit American organization, the Radio Free Europe Fund, also known as the Crusade for Freedom, solicits contributions annually to finance night and day broadcasts to Poland, Czechoslovakia, Hungary, Rumania and Bulgaria.

"During the past decade, Radio Free Europe has been the captive people's strongest link with the free world," W. B. Murphy, national chairman, commented on the anniversary. "By its unrelenting fight against Communist propaganda, it has helped to prevent the Kremlin from completely absorbing 79,000,000 people into the Soviet orbit. An area vital to the defense of the entire free world has remained predominantly pro-western."

The five countries contain many freedom-loving people who must not be consigned to permanent domination by Russia. While the remedy for their plight is not immediately apparent, there certainly can be no harm in potentially there is much to be gained by keeping them accurately and constantly informed of what is happening throughout the world.

An increase in the radio system's power and effectiveness is regarded as necessary in the coming years due to the increasing violence of Red propaganda. The program deserves the support of all, because it is the principal means of informing these captive people of the truth.

Authorities Say Auto Safety Belts Would Reduce Fatalities 50%

Now that the summer holidays are over, the worst driving hazards are gone for a while and traffic is back to "normal"—about 100 fatalities in the United States each day.

It would seem that a method of reducing the casualty toll would be hailed as a boon to mankind and speedily adopted. But there has been no such rush to auto seat belts, a device that authorities freely predict could greatly lower the slaughter on streets and highways.

Costing \$10 to \$15 each, the safety belts are the same type that commercial airlines and the Air Force have insisted on for years. Race and test drivers always wear them, and nearly half of the states order official cars equipped with them. Several insurance companies give reduced rates to drivers who own them.

Why doesn't the average motorist use them? Actual reasons are believed to include apathy, the cost factor, lack of regulations banning substandard belts—which have given the entire in-

dustry a bad name, and the simple fact that the belts have not caught the public's fancy—a car equipped with them might look odd and automatically label its owner as peculiar.

At any rate, the reasons usually cited by drivers are not regarded as valid. Some feel that it is better to be thrown clear of the car in a collision, but tests show that a person is five times safer if he remains in the vehicle, plus another six times safer if he is wearing a safety belt. What if the car catches fire or falls into deep water? Less than half of one per cent of auto accidents involve fire or submersion; even then, the belt cuts the chance of serious injury by over 50%, the individual has a better chance of surviving. And belt release takes only an instant.

Since 75% of all traffic fatalities occur within 25 miles of the victim's home, the belts are urged for short trips as well as cross-country journeys. The Congressional traffic safety committee, which has joined national medical, health, military and safety authorities in supporting the use of seat belts, found that to be fully effective they should be worn whenever a car is in motion.

There is nothing magical about a safety belt. It merely reduces the shock and impact of a collision by absorbing and spreading the force and by keeping the wearer from being thrown around inside the car. It also has some value in limiting driver fatigue by helping to maintain good posture.

Some day, the belt idea may catch on. Until then, unless there is some miraculous improvement in drivers' skill, caution and luck, traffic deaths probably will continue at the rate of 100 a day.

If you're satisfied with yourself, take another look.

Salaried Employee With Top Seniority Retires

A salaried employee with top seniority at Granite City Steel Co., Lawrence "Babe" Wright, with 52 years active service, retired this month, it was announced today.

Wright, 69, of Alton, started with the local steel firm Aug. 30, 1908, as a machiner on the old sheet mills. He became a roller in 1921 and in 1945 transferred to the North Plant. In 1949, he became a quality control inspector on the picking line, a position he held upon retiring.

Two-Car Accident At 23rd And Cleveland

When she thought a car was going to run a stop sign into the path of her westbound auto at the intersection of 23rd street and Cleveland blvd. Tuesday evening, Lois Bradford, 43, of 2118 Fontenot road told Granite City police she slammed on her brakes.

She stopped, but the car behind, driven by Jerry L. Morgan, 20, of 2406 Adams street, ran into the rear of her auto. Neither driver was injured.

Chicago Firm Buys Abstract & Title Co.

The title records of Madison County Abstract and Title Co. have been purchased by Chicago Title and Trust Co. It was learned today. All present services of the company are continuing at the Edwardsville address, plus the offices here and in Alton which have been operating under the name of Tri-City Abstract and Title Co.

John A. Crook Jr., an officer of Chicago Title and Trust Co., has been named manager of the new Madison county office. Wilber C. Gerke, former president, will continue to be associated with the business.

No changes are anticipated in title insurance and abstract services which have been available to buyers of real estate and mortgage investors in Madison county. As a representative of Chicago Title and Trust Co., Madison County Abstract and Title Co. had been issuing title insurance policies of the Chicago company on county property for many years.

ment, daughter of Mr. and Mrs. Robert Clement, of Kirkpatrick Homes, was transferred to Scott Air Force Base Hospital this week after receiving treatment at St. Elizabeth Hospital for injuries sustained when an auto driven by her brother, Robert, crashed into the end of the intersection of Bypass 40 and State Route 157 near Edwardsville on Sunday evening.

Clement, his wife Elsie, 27, and three other children, Robert Jr., 1, Mark, 2, and Bonnie, 5, were all taken to St. Elizabeth Hospital by ambulance following the accident, but were released. The hospitalized girl was pinned under the roof of the overturned car.

A motorist was taken to St. Elizabeth Hospital and examined for a possible neck injury following a three-car crash on Nankemok road at the Bellemore Shopping Center on Tuesday.

Connie B. Royer, 23, of 2018 C Avenue, driver of the 1958 Chevrolet, was released after x-rays following the chain-rear heading south on Nankemok road. The other drivers were Dianne Schoeb, 16, of 4745 Warnock avenue, and Wilma Black, 35, of 2522 Lynch avenue.

Right-Of-Way Charge

Arrested by Granite City police for failing to yield right-of-way to a stop sign on August street at East 24th street yesterday morning, George Hotz, 32, of 3052 Myrtle avenue, who was involved in an accident, posted his driver's license as bond. The other auto, driven by Alvin E. Woodridge, 37, of 638 Roosevelt drive, Edwardsville, struck the right side of Hotz's auto, police reported.

GC Man Fined \$145

Robert Squitler, of 1422 Twenty-second street, who pleaded guilty to charges of profanity, disorderly conduct and resisting arrest before Police Magistrate Gasparovic Tuesday, was fined a total of \$145, and released. He had been arrested in the 2800 block of Grand avenue late Saturday.

Joint Action On Widening, Animal Shelter Proposed

(Continued from Page 1)

Two joint projects are being discussed with other cities at present, Mayor Stephen Maeras announced during a Madison city council meeting Tuesday night. They are widening of the city streets and an operation with Granite City, and construction of an animal shelter to serve both Madison and Venice.

Widening of McCambridge to a width of 60 or 70 feet has been discussed with a Granite City alderman, and a cost estimate is being prepared by Edward Juneson of Sheppard, Morgan and Schwab, Madison city engineers, Maeras reported.

A joint action is believed advisable because sections of the streets are located partly in Madison and partly in Granite City. The Madison portion of the cost would be financed from the city's share of motor fuel tax funds.

Plans for the animal shelter, to be located in a Venice area, to be drawn up in the near future to enable construction bids to be sought, the mayor reported. The present Madison dog pound is due to be razed soon, he said, adding that the new structure would be shared by the cities on the basis of usage.

Curbs During Storm Work

References to the school installation of storm drainage sewers in Madison in conjunction with the East Side Water and Sanitary district, Maeras said that the city hopes to persuade the Madison dog pound to sidewalk work in the affected areas at the same time of the sewer construction.

Fines For Library Damage

Aldermen also voted fines of \$5 to \$100 for any person keeping library books, periodicals or papers longer than 30 days or damaging and destroying library property at the building, shrubs, trees, furniture, books, periodicals and papers.

Recognizing construction of a new Harris grade school, the council designated a 15-foot-wide alley west of the Sixth street playground as a school entrance and exit.

It voted to seek bids for complete insulation of the city hall building, to reduce heat loss and fuel costs in the winter and serve as a heat barrier in the summer. The mayor called attention to installation of a new two-ton air-conditioner in the council room, commenting that it will permit more extensive use of the room.

MORE ABOUT

Woman Hurt Today

(Continued from Page 1)

ment, daughter of Mr. and Mrs. Robert Clement, of Kirkpatrick Homes, was transferred to Scott Air Force Base Hospital this week after receiving treatment at St. Elizabeth Hospital for injuries sustained when an auto driven by her brother, Robert, crashed into the end of the intersection of Bypass 40 and State Route 157 near Edwardsville on Sunday evening.

Clement, his wife Elsie, 27, and three other children, Robert Jr., 1, Mark, 2, and Bonnie, 5, were all taken to St. Elizabeth Hospital by ambulance following the accident, but were released. The hospitalized girl was pinned under the roof of the overturned car.

A motorist was taken to St. Elizabeth Hospital and examined for a possible neck injury following a three-car crash on Nankemok road at the Bellemore Shopping Center on Tuesday.

Right-Of-Way Charge

Arrested by Granite City police for failing to yield right-of-way to a stop sign on August street at East 24th street yesterday morning, George Hotz, 32, of 3052 Myrtle avenue, who was involved in an accident, posted his driver's license as bond. The other auto, driven by Alvin E. Woodridge, 37, of 638 Roosevelt drive, Edwardsville, struck the right side of Hotz's auto, police reported.

GC Man Fined \$145

Robert Squitler, of 1422 Twenty-second street, who pleaded guilty to charges of profanity, disorderly conduct and resisting arrest before Police Magistrate Gasparovic Tuesday, was fined a total of \$145, and released. He had been arrested in the 2800 block of Grand avenue late Saturday.

Teachers' Swim Party

Keith Parker, Paddlers pool manager, reported today that the pool will hold a free "welcome back splash party" for new and returning teachers of the Granite City school district from 11 a. m. to 1 p. m. Sunday at the pool, 2121 Johnson road. The teachers' families also will be welcomed.

City Seeks To Condemn Old Mirific Co. Plant

Condemnation of the old Mirific Products Co. plant at 24th and Adams street is to be sought by the city.

Petitions with signatures of more than 50 residents of the area near the abandoned plant were submitted to the council Tuesday night asking that the old, sheet metal structure be razed. City Atty. General Beatty was instructed to prepare a condemnation ordinance.

In other business during the two-hour session, presided over by Alderman Rufus LeMaster in the absence of Mayor Davis, council members also:

Approved installation of five street lights at 2133 Harding avenue, 2010 and 2810 Cayuga street, Nevada avenue and Denver street in West Granite and Sunset drive and Wilson avenue in the Nameoki area.

Stop Sign Proposed. Authorized preparation of an ordinance for setting up stop signs on Myrtle and Faith avenue, the scene of three recent traffic accidents.

PLAN DEN CHIEF NIGHT
Quad-City Cub scout leaders met Tuesday evening at the Wilson avenue school for a monthly roundtable meeting.

John Slay, assistant district commissioner, in charge of the meeting, Pack Seven of St. Joseph's school led the group in the opening song, "God Bless America."

The theme for the program was "Fire Detectives," with Slay leading the discussion. An announcement was made that "don chief night" will be held at Camp Graham Sept. 15. Mrs. Margaret Vrenick displayed wood carvings and various books on handicraft for the attending den mothers.

The national anthem was the closing song. Refreshments were served by Mrs. Dot Nelson and Mrs. Beverly Singleton of Pack 122 to 25 leaders.

RETURN FROM WEST
Mr. and Mrs. Calvin Howard, 2832 Edgewood avenue, and children, Randy, Terry, Joni, Ronnie and Sherry, returned Monday from a two-week vacation in Utah and Wyoming.

Mr. and Mrs. Wyo, they visited Mrs. Hannah Robbins. A few days were spent visiting Mr. and Mrs. James Arthur, Mr. and Mrs. Leslie Meeks, Mr. and Mrs. Karl Polson, Mr. and Mrs. Burlin Jackson, Mrs. J. C. Nichols and Mrs. Carol Durrant of Mountainview, Wyo. Sight-seeing in the Watch National Forest and Flaming Gorge was enjoyed in Utah. The Snowy Range Mountains also were viewed.

Mr. and Mrs. Gerald Singleton, 2812 Edgewood avenue, had as guests William Moran, Mr. and Mrs. George Palmer, Mr. and Mrs. Charles Lytle and sons, Mike, Roger and Timmy, and Becky Fields of Galesburg, Ill., over the weekend.

Mr. and Mrs. Calvin Howard and children, Randy, Terry, Joni, Ronnie and Sherry, 2832 Edgewood avenue, had as guests Monday Howard's parents, Mr. and Mrs. Jesse Howard and grandson, Jon, of Litchfield, Ill.

Mrs. Virginia Taylor, 2804 Edgewood avenue, returned home Sunday after a few days in St. Mary's Hospital, East St. Louis.

Don Miller, 3005 Sunbury avenue, and Adam Petras returned Monday from a fishing trip in Tennessee.

Floyd Pitchford, 2908 National avenue, entered St. Elizabeth's Hospital Monday for observation.

License Charge
Phyllis Joan Hugo, 23, of 1715 Maple avenue, was arrested by Granite City police at 3 a.m. yesterday at Nameoki road and Palmer avenue and charged with driving without a license. She posted \$15 bond.

Expense allowances in the bills list were: \$50 for Civil Defense Director Victor Koenig, \$50 for CD Director George W. Schumacher, and \$30 monthly expense fees for Alderman Robert Gaughan, Paul Rutledge and Frank Vesel, and \$60 for two months for Alderman Mrs. Gabrielle Betine.

Accepted audits of city funds and authorized the mayor and clerk to enter into a \$1025 contract renewal with Jack D. Huggins, East St. Louis accountant, for this fiscal year.

Approved allowances for three police officers to attend training schools — two with \$100 allowances for a one-week school at Southern Illinois University, Carbondale, Oct. 9-15, and one officer with a \$150 allowance to attend an identification school at Chicago, Sept. 19-23.

Police Radio Modifiers
Authorized the purchase of police radio modifiers costing \$100 each for three police motorcycles over the protests of Chief Raymond Willard, who said the radio units were 10 years old and would soon need replacement as recommended by the city's radio engineer.

Instructed Comptroller John Doobler to call for bids to repair the city hall boiler.

Solons Approve GC Twp. Bills Totaling \$1581

Granite City township relief and town fund disbursements totaling \$1581 were approved Tuesday night by city council members serving in their capacity as the town board of auditors.

Relief expenditures included \$75 September rent for the office, \$407 half-month salaries for three office workers, \$16 for utilities, \$4 for transportation to the St. Louis Veterans Hospital, \$28 for relief rent and \$8 for postage.

Town fund expenses were \$600 for half-month salaries for the supervisor, assessor and chief deputy assessor, \$72 for Deputy Assessor Bernadine Hagauer, \$312 for Deputy Assessor Catherine Herman, \$40 for two months' office expense for Justice of the Peace M. G. Reinhardt, \$20 telephone service for the assessor office and \$3 for supplies for the assessor office.

Bikes Owned By Brothers Stolen In 5-Week Period

Bicycles belonging to two brothers have been stolen in Granite City this summer, the latest theft occurring Wednesday, when the cycle owned by 12-year-old Donald Morris was stolen from a rack at Central school.

The boys' mother, Mrs. Leroy Morris, 2114 East 20th street, said the bicycle was shared by Donald and his brother, William, 14, whose bike was stolen about five weeks ago while he was attending a Boy Scout meeting at the First Presbyterian Church.

"William recently underwent an operation on his feet and needs a bicycle to get to and from a part-time job at a barber shop," Mrs. Morris related.

A large number of bicycle thefts has been reported this summer and many have been recovered. However, Mrs. Morris said neither of her sons' bikes could be located, but parts of the one stolen in July were found by the police.

Driver Arrested After Crash At Intersection

Mildred Meehan, 33, of 1640 Primrose avenue, was arrested by Granite City police and charged with failing to yield right-of-way after an auto accident Tuesday afternoon on Grand avenue at 24th street.

Police said she had been traveling east on 24th street when the other auto, being driven north on Grand avenue by Earl Smith, 50, of East St. Louis, struck the right side of her vehicle.

Delegates To National Orthodox Club Conclave

Mr. and Mrs. John D. Fryntko, 3113 Ash avenue, returned Tuesday from the 34th national convention of the Federated Russian Orthodox Clubs, held in Cleveland, O.

They were delegates from the Madison, Ill., R. Club, Chapter 171, of the Nativity of the Virgin Mary Eastern Orthodox Church. They were accompanied by their daughters, Jean and Marie.

2 Practical Politics Courses Begin Monday

Two new "Action Courses in Practical Politics" will get under way Monday, sponsored by the Tri-Cities Chamber of Commerce, it was announced today by Harlan Doby, executive secretary.

The courses, designed to present politics in an objective light, still have eight vacancies, Doby said. Lasting nine weeks, the separate courses will meet each Monday.

The morning course, which has only one vacancy, will meet at 7:30 a.m. in the YMCA auditorium until 9 a.m.; the other course, with seven openings, meets from 11:30 a.m. until 1:30 p.m. in Cline's restaurant club room and includes a luncheon.

John J. McBride, vice-president and general manager of Union Starch & Refining Co. and a former government professor, will again be discussion leader for both courses. Pamphlets and other necessary materials, costing \$2 per student, will be issued at the first workshop, subject of which is the "Individual in Politics."

Three previous courses have been completed under C. C. sponsorship.

Council Debates, Ok's Liquor Bond

A \$2000 liquor bond for Cornelio Ybarra to operate a tavern at 20th street and Washington avenue was debated at length before being approved by Granite City council members Tuesday night.

A motion for acceptance made early in the meeting was withdrawn after Alderman Walter Nenn read a note from Mayor Davis, city liquor commissioner, to Alderman Estill Von Schmitt, deputy liquor commissioner. Both Davis and Schmitt were absent.

The mayor's note, written on an envelope, stated, "This fellow wants to open tomorrow. Get it passed. I'll be at home if you want me."

"If he's at home," Nenn said of the mayor, "he should be at this meeting."

Alderman Rufus LeMaster, who was presiding in the absence of the mayor, said the liquor bond was for the owner of the building and that the location had been a tavern until recently and had been operated by James Slavings.

Bond Resubmitted

Later in the meeting, when the liquor bond again was submitted, Alderman Frank Nemeth said the applicant was a brother of the building owner and that Slavings closed his tavern there when he lost his lease. Nemeth was the only solon to vote against approval of the bond, saying he was not aware of an application for a new license had been made.

Other council members recalled they had been told by the mayor that license applications were approved by the city liquor commissioner, and the council had no alternative other than to approve a bond.

Alderman Arthur Wieser suggested the mayor might reject the application, as he had done for two other new taverns, and force the applicant to go to court to obtain an order.

Wieser questioned the legality of the city's liquor control ordinance, and was told by City Atty William Beatty that a recent

Vote Count Tonight For New C. of C. Directors

Some 300 ballots have been returned to the Tri-Cities Chamber of Commerce through today in an election to fill nine positions on the board of directors for three years beginning Oct. 1, Secretary Harold Dobry announced.

"The response has been excellent," Dobry commented. "We have no exact count of ballots received, but we've gotten as many as 150 in a single mail."

Ballots will be counted at 6 o'clock today, and the new directors will be announced shortly afterwards, Dobry said. Altogether some 500 ballots were sent out to C. of C. members.

Candidates nominated for election are Oscar Albert, Robert E. Backs, Chester L. Baker, William B. Brooks, Henry J. Fechte, Lyle F. Guley, Ernest A. Karandjef, Howard Kase, Arthur E. Kayser, Arthur E. Lohr, Gene E. Lichter, C. M. Lomas, Ralph A. Morris, Roy A. Pelter, Thomas A. Sullivan, Irby V. Todd, C. E. Townsend and E. E. Van Stee.

The nominees were selected by a committee comprised of Chairman E. G. Schmitt, Richard A. Bromley, Maurice Dailey, Leonard Friedman and Arthur D. Roseman. Judges are Arthur Bueente, Frank Rea, Barry Lohmeyer, Charles Reimers and Robert Toldeen.

Each candidate will be sent a letter Friday notifying him of the results by President Sam L. Meyer.

Due to the Labor Day holiday, the Chamber of Commerce board did not meet Tuesday night and will hold its meeting instead next Tuesday.

A court order declared invalid the section of the law pertaining only to the 1000-foot restriction between new taverns.

In submitting the ruling to the city, Circuit Judge Harold Clark recommended the city amend the ordinance to set a limit on the number of taverns. Such an amendment was prepared and placed on first reading about two months ago. Since then, it has not been resubmitted.

Kiwianis Induct Two; Plan Fall Activities

Two new members were welcomed to the ranks of Mitchell Kiwanians Tuesday during an evening which saw plans made for the coming fall season and the transaction of business at a board meeting, following the weekly dinner get-together at Smith's cafe.

Inducted into the club by Past President Lee Paul were George J. Stidham, 153 Troostler Lane, a Granite City Steel Co. employee, and Manuel Pereira, 4946 Mueller avenue, a construction worker.

President Robert Franko read to the 15 attending members a letter from the Illinois Power Co. advising that 64.7% of Mitchell proper residents were in favor of natural gas service for the area. Franko said he expects an additional word in the near future on the company's plans.

Lee Paul, street sign committee chairman, reported the committee's decision to make an outright purchase of all street signs needed for the community possibly during the next two weeks. However, he continued, posts and brackets for the signs would be purchased in lots as funds became available.

Later, during the board meeting, Franko said a decision was made to send two delegates to the Kiwanis Eastern Iowa-Illinois district convention, which will be held Oct. 2, 3 and 4 in Chicago.

The members also agreed to hold a ladies-night program later in September.

Services Held For David L. Turner, 88

Funeral services were conducted Tuesday at Bethalto for David L. Turner, 88, of Bethalto, a retired farmer who died Sunday at Wood River Township Hospital. He was the father of Mrs. Henry Hyman of Granite City.

Mr. Turner had been ill since last February and a patient at the hospital since Aug. 18. Burial was in Upper Alton Cemetery.

Younglove To Be Speaker At Legion Installation

Thomas A. Younglove, who held 13 elective and appointive communist offices while serving as an undercover agent for the Federal Bureau of Investigation, will be guest speaker Saturday evening at the public installation of officers at Venice-Madison American Legion Post 307.

Younglove served as government witness in several of the trials of leading Communists and in 1956 he testified before the House Un-American Activities Committee regarding Communists in St. Louis. The former undercover agent, who was subjected to party brainwashing and over 2000 hours of training in secret communist schools will relate how he was able to serve his country effectively in various communist front organizations as a captain in the underground. Officers to be installed the same evening will be Bobby J. Orasco, replacing George Wilson as commander of the post; Len Whiteside, senior vice-commander; Robert Douglas, junior vice-commander; Charles Austin, sergeant-at-arms; John Gonterman, finance officer; Kenneth Hinson, historian; George Wilson, John Bettag and Clarence Hackney, executive board members.

Mrs. Viola Whiteside will be installed as the new president of Venice-Madison Unit 307. Others to be installed are: Mrs. Mildred Scannell, first vice-president; Mrs. Maxine Simmons, second vice-president; Miss Dorothy Hinson, secretary; Miss Norma Hinson, treasurer; Mrs. Mary Ballentine, chaplain; Mrs. La Verne Orasco, historian, and Mrs. Joyce Austria, sergeant-at-arms.

Both young people are graduates of the Granite City high school and are students at Southern Illinois University in Carbondale. Miss Graham is presently employed at the U. S. Army Transportation Material Command in St. Louis. Her fiancé has been employed at the Laclede Steel Co.

UPW Holds First Fall Meeting

A pot luck supper was a feature of the first fall meeting of the United Presbyterian Women of First Presbyterian Church Tuesday evening. Circle Five served as hostess to the group and approximately 50 women attended.

Mrs. Walter Kerch opened the meeting with a piano prelude, and Mrs. A. T. Smith offered prayer. Devotions by Mrs. James Spinks followed.

Mrs. David B. Maxton, superintendent of the Junior High Church school, assisted by Mrs. Jack Malone, was in charge of the program. A group of junior high girls presented a skit in three parts, and sang two songs accompanied by Judy Kerch and Ruth Maxton. Others taking part were Bonnie Schmiedke, Cathy Parker, Susan West, Colleen Moore, Cathy Coe and Nancy Daniel. Later they presented a poster parade, a display of Christian education materials used in the Sunday school, from the nursery through the adult departments.

The topic was "What Is Christian Education and How Does It Take Place?"

Rev. David Maxton and Ben Livingston spoke to the UPW members on the necessity for assistance from adults in carrying on work in the church school.

Mrs. Arline Fox, president, was in charge during the business session and reports were given by the various committee chairmen.

GIDEONS AND AUXILIARY PICNIC

The Gideon Society and Auxiliary held a picnic this week in connection with a regular meeting.

The members were entertained at the home of Mr. and Mrs. R. O. Harold on Lake Suzanne at O'Fallon and a picnic supper was served.

Mr. and Mrs. Harold conducted separate business sessions for the two groups and a report was made on Testaments distributed to the graduating class of nurses at Alton Memorial Hospital Aug. 24.

Present were Mr. and Mrs. Hugh Foster, Mr. and Mrs. Fred Rauschkub, Mr. and Mrs. Elmer Dehn, Mr. and Mrs. C. F. Reimers and the host and hostess.

ProTen* BEEF

WHAT IS IT?

Actually it is FINE BEEF made more tender, without aging, full flavored

HOW WILL THIS HELP YOU?

Now you can oven-roast chuck and rump roast and broil chuck and rump steaks in the way formerly recommended for only rib, sirloin, and porterhouse cuts of beef.

WONDERFUL TIME SAVER, TOO!

Time saver, too! Swift's Premium ProTen Tendered Beef, when pot roasted as usual, takes 15 to 30 minutes less time than is required for non-tendered beef.

SAME FULL FLAVOR AS OTHER FINE BEEF, WITH ADDED TENDERNESS

Six Cuts of Beef for Elegant Oven Roasts

Here's how to oven-roast Swift's Premium ProTen Tendered Beef: Place roast fat side up on rack in a shallow open pan. Do not cover. Roast in slow oven 325° F. using the following time chart as a guide. A roast meat thermometer inserted into the thickest part of the meat indicates the internal temperature of doneness.

Eight Cuts of Beef Steak, Perfect for Broiling

Swift's Premium ProTen Tendered Beef Steaks cut 1" or more inches thick are excellent for charcoal and oven-broiling. Thinner steaks are best pan-broiled.

SWIFT PREMIUM TENDERED BEEF for Braising

It's a timesaver! When using your own favorite roast* recipe with Swift's Premium ProTen Tendered Beef, reduce the cooking time 15 to 30 minutes.

Here's how to braise Swift's Premium ProTen Tendered Beef: Season meat, dip into flour if desired, then brown in a small amount of fat. Add a small amount of liquid, such as water, tomato juice or bouillon. Cover and cook slowly on top of range or in moderate oven (350° F.). Cook until fork tender, using the following time chart as a guide.

Questions and answers about SWIFT PREMIUM "ProTen" Tendered Beef

What is the Tendered process? It is a scientific process for developing tenderness in beef by the addition of natural vegetable proteins into the meat tissues.

The activity of these vegetable proteins (enzymes) supplements enzymes already present in meat and produces tenderization during cooking.

Beef tendered by this process will carry the trademark "Swift's Premium ProTen Tendered Beef."

Are these enzymes the same as those consumed in other foods? Yes. They are consumed daily in most of the foods we eat.

If these enzymes tender meat tissue, what effect do they have on a person? None, since the vegetable proteins are the same as those normally found in many foods we enjoy every day. These enzymes do not affect live tissue.

If beef is of high quality, why use this new process? Even in top grades of beef all cuts cannot be broiled or oven-roasted. The Tendered process provides sufficient tendering to cook many cuts by the dry heat method (oven-roasting and broiling) that are ordinarily braised (cooked covered with moisture added). Such cuts as chuck roasts, briskets, plates, and rounds may be oven-roasted. Chuck and rump steaks may be broiled. Furthermore, the Swift's ProTen Tendered Beef Label is your assurance of tenderness.

Is the new process government approved? Yes. It has the approval of the Meat Inspection Division of the United States Department of Agriculture.

Is this process patented? Yes. The U. S. patent number is 2,903,362.

Does the Tendered process affect the keeping qualities of beef? It does not affect the keeping qualities of the beef in the market meat cases or in the home refrigerators or freezers. In fact, the added tenderness is brought about only during the cooking of the beef.

Does Swift's Premium ProTen Tendered Beef have the same appearance as other fine beef? Yes.

Does Swift's Premium ProTen Tendered Beef have the same full flavor of other fine beef? Yes, with added tenderness.

Is Swift's Premium ProTen Tendered Beef cooked in the same ways other fine beef is cooked? Yes, the regular methods you are accustomed to for cooking fine beef are used for Swift's Premium ProTen Tendered Beef. However, some cuts of Swift's Premium ProTen Tendered Beef cook in less time than comparable cuts of other fine beef. For example, pot roasts take 15 to 30 minutes less total cooking time.

Does the new process allow different cooking methods for any particular cuts? Yes. Sirloin tip, round, chuck, and brisket can be oven-roasted and sirloin tip, rump, and chuck steaks can be oven-broiled. Long, slow cooking in moist heat is not necessary to assure tenderness of these cuts.

Can Swift's Premium ProTen Tendered Beef be used in your favorite beef recipes? Yes.

Can Swift's Premium ProTen Tendered Beef be served rare, medium, or well done? Yes.

How will Swift's Premium ProTen Tendered Beef be recognized in the meat cases? You can identify the meat in the retail markets by insert labels in each package. Swift's Premium ProTen Tendered Beef will be indicated by a red, blue, and silver foil label.

What advantages are there for you when you buy Swift's Premium ProTen Tendered Beef? The advantages are more uniform tenderness, increased tenderness in all cuts of beef, and increased variety with more cuts that can be dry heat roasted and broiled.

DOES THIS BEEF COST MORE?

Now you can buy very tender Beef, at no higher price. Here is Beef with less shrinkage, it comes to you FRESHER . . . no costly aging required. All Swift's Premium ProTen Beef sold in our markets bears this Blue Ribbon seal of Top Quality. Now you can oven-roast chuck and rump roasts and broil chuck and rump steaks in the way formerly recommended for only rib, sirloin, and porterhouse cuts of beef.

SUBTLE SEASONERS and TOPPERS for BROILED STEAKS

Zesty Seasoned Butter: Melt or whip 1/2 stick (1/4 cup) butter. Add one of the following seasonings: 2 teaspoons chopped onion, 2 teaspoons snipped chives, 1/2 teaspoon dried basil leaves, 1/2 teaspoon poultry seasoning. Spread over hot broiled steak just before serving.

Roquefort: Spread top of broiled steak lightly with mashed Roquefort or blue cheese.

Mushrooms: Brown mushrooms in butter. Salt lightly. Serve over hot broiled steak.

Garlic: Before broiling, rub entire surface of steak with a cut clove of garlic.

VARIETY Spelled with two "eyes"

When you were the age of this boy with an extra nickel or dime, you ran down to the candy store which had the largest assortment of "low-breakers". Oh boy! Wouldn't it have been swell to taste them all? We believe that you haven't changed from that basic idea. You still like to shop from a wide variety. Just a few years ago, most food stores stocked about 1500 items. We now list over 5000 kinds of nationally known brands, plus favorite local names. To give you a rough idea of what I mean, here's a few: . . . we've 20 kinds and sizes, Peas 17, Corn 26, Pickles 29, Preserves 25, 53, Cakes 79 . . . Types and flavors. Space doesn't permit me to list more. Drop in to see this variety and note the low price tags under every item, you'll be pleasantly surprised.

FIRST FALL MEETING

The Madison Ladies Democratic club met Tuesday evening at the Sportsman's club for a monthly meeting. The meeting will continue to be held on the first Monday of each month.

The president, Mrs. Betty Rodgers, presided over a short business session, at which time a social which is being planned by the members for Oct. 12 was discussed.

A social time followed, with games played and prizes awarded. A luncheon was served by the hostesses, Mrs. Veronica Kula, Mrs. Nettie Golewski and Mrs. Valerie Rozoyke, to Mrs. Rodgers, Mrs. Isaac Hruska, Mrs. Marie Stawar, Mrs. Mary Hlava, Mrs. Jessie Henderson, Mrs. Louise Lewis, Mrs. Mary Maeras, Mrs. Maxine Costoff, Mrs. Ann Blazek, Mrs. Ida Daint, Mrs. Florence Spahr, Mrs. Hazel Swigert and Mrs. Norma Skokda, a new member who was welcomed into the club at the last meeting.

LUNCHEON FOR CLUB
Mrs. Leora Rogers was hostess to the Past Noble Grand club of Delray Rebekah Lodge 786 in her home, 2240 Iowa street Tuesday evening. Mrs. Althea Gray was co-hostess for the monthly gathering. Mrs. Pearl Serini, president, led a short business meeting.

The next meeting will be held in the home of Mrs. Wilmam Serini, 17 Del Rio, with Mrs. Dorothy Gregory as co-hostess. Luncheon was served to Mrs. Lillian Hoelscher, Mrs. Pearl Serini, Mrs. Mary Maeras, Mrs. Chloe Maxon, Mrs. Minnie Perry, Mrs. Elsie Vance, Mrs. Dora Rash, Mrs. Ruth Hannebrik and Miss Margaret Brown.

William Keith Champion was honored with a birthday party given in his honor Sunday afternoon by his mother, Mrs. Champion, 1000 Reynolds road, Madison.

A chocolate cake decorated with a cowboy on a horse and six lighted candles centered the refreshment table. Many gifts were received by the honoree, and games were played by Ricky Lahman, Donnie Nowicki, Larry Nowicki, Billy Champion, Mike Champion, Rickie Thompson, Donna Nowicki, Kathy Champion, Connie Champion, Tom Nance and Mrs. and Mrs. Isaac Thompson.

RESUME MEETINGS

Mrs. Opal McFarland was hostess to the Peppy class of the First Presbyterian Church in her home, 1623 Second street, Tuesday evening. The meeting was presided over by Mrs. Clara Lusk, president. Members of the class looked over cards they will sell as a class project.

A social time was held, with Mrs. Betty Meyer and Mrs. Joyce Lusk as hostesses. Games played. The hostess served refreshments to Miss Pat Noud, Miss Luella McCall, Mrs. Elizabeth Bucher, Gladys Zentgraf and Mrs. Margaret Noud.

The next meeting will be held in the home of Mrs. Betty Meyer, 1525 Fourth street. This was the first meeting of the fall, and the sessions will continue to be held on the first Tuesday.

The Junior Girls Auxiliary of the First Baptist Church met Tuesday afternoon at the home of the leader, Mrs. Wayne Walton, 1823 Sixth street. The auxiliary song was sung by the girls, and they spent the remainder of the time studying the forward steps of the fall.

Sandy Wood opened the meeting with prayer. Mrs. Walton, the counselor, will be on vacation for a few weeks and Mrs. Naomi James will hold the meetings at her home, 635 Fifth street. The meeting was closed with prayer by Linda Barnett.

Those enjoying the refreshments study period were Sharon Moore, Sandy Wood, Janice Fay Warren, Leola Chas. Barnett, Debbie Kingsley and Linda Barnett.

Madison Amvets 204

Nominate Officers

Harry W. Perkins of 1614 Third street, Madison, was nominated as commander of Madison Amvets Post 204 during a meeting of the organization last night. The Amvets post will elect officers at the Sept. 21 meeting.

Installation ceremonies to be held on Oct. 5. Others nominated for 1960-61 positions were Steve Kummer, first vice-commander; George Burdick, second vice-commander; Anthony Vavra, third vice-commander; Edward Vavra, adjutant; Sam Boskoff, finance officer; William Vavra, public relations officer; Vasil Gravelle, chaplain; Robert Blatter, historian; Austin Lewis, judge advocate; and Anthony Burdick, surgeon general.

Edward Uherick, Amvets Fifth district senior vice-commander, is currently recuperating at a St. Petersburg, Fla. hospital, where he submitted to emergency surgery for removal of a blood clot. It was announced during the meeting.

Uherick will enroute to the Amvets national convention in Miami when he was stricken and is expected to be home for another three weeks. Members were advised they could contact him by addressing the Parkers Motel at St. Petersburg Beach, Fla.

Ancient Rome Visited By Touring YMCA Delegates

Arriving in Rome in time to see the Olympic Games open, Miss Pat Mega, correspondent of the touring YMCA Youth Conference delegates was quick to praise the city in a letter received by the Press-Record this week.

"Rome is often referred to as 'The Eternal City.' One needs only to visit Rome to see why this is true. Rome with all its historical background is certainly the museum of all ages," Miss Mega writes.

The group arrived at the Overseas School in Rome late Wednesday, Aug. 24, after a tour of Germany. On Thursday, the opening ceremony of the Olympics was attended, which featured a parade of all the participants.

"After the raising of the Olympic flag, thousands of doves were released and an athlete brought in the Olympic torch," Miss Mega writes.

Next day, the delegates began a tour into the deep past of Rome. "The Roman Forum, which shows how emperors rose and fell; Temple of Julius Caesar, which was built as early as 42 BC on the spot where his body was burned and consecrated in 29 BC; Colosseum, built between 72 and 80 AD, which was the origin of the professional gladiators who were trained to fight to the death."

"The group also toured the St. Mary Major Church, which is the fourth of the great churches in Rome and is the largest dedicated to the Virgin. The ceiling was gilded with the first gold to be brought from America."

Vatican City, home of the Popes for some six centuries and the site of the largest Christian church — St. Peter's — was visited Sunday, Aug. 27.

"It took 176 years to complete the building," Miss Mega writes. "The Church is built over the body of St. Peter. The four pillars that sustain the dome created by Michelangelo are used as chapels for the great relics of the church that are shown to the public during Holy Week. The relics are:

"1. The head of St. Andrew, brought to Rome in 1460;
"2. The veil of St. Veronica, which bears the face of Christ when He carried His cross;
"3. A portion of the true cross identified by a miracle;
"4. The lance which pierced the side of Christ."

"The Church is rich with mosaics and contains one of the most beautiful works of Michelangelo—the 'Pietà.'"

Next day, 19 members of the group attended a public audience held by Pope John at his summer villa, Miss Mega said. He welcomed the spectators and gave them his blessing.

On Monday, the group spent the entire day swimming on the coast of the Mediterranean Sea. Other places toured were: Catacombs, Appian Way, Fountain of Trevi, Pantheon, Quo Vadis and Tivoli."

Venice Relief Caseload Down, Costs Top \$9500

Poor relief costs in Venice township increased to \$9571 during August, although the caseload continued to drop.

The monthly expenditures were the highest since April, when the \$10,704 total represented the eighth consecutive month of \$10,000-plus relief costs. The assistance dropped to \$8897 in May, \$7489 in June and \$6426 in July.

Ninety-eight families totaling 291 persons were aided in August along with two residents of the Madison county nursing home. These figures continued a steady drop evident since last October. In July, the township aided 105 families with 329 people and one nursing home patient.

Speeding Ticket

Cheryl Humphreys, 21, of 2556 Lynch avenue, was arrested by Granite City police Tuesday and charged with speeding at 29th and Iowa streets. She posted her driver's license as bond.

Enters Hospital

E. W. Pauly, 2218 Cleveland blvd., entered DePaul Hospital, St. Louis, yesterday for treatment.

The Madison county nursing home. These figures continued a steady drop evident since last October. In July, the township aided 105 families with 329 people and one nursing home patient.

Politics Course Open To Any Local Groups

The "Action Course in Practical Politics," graduates of which will be honored at a luncheon here next Wednesday, Sept. 14, is open to groups of all types in this area. Harlan Dobry, Chairman of Commerce manager, announced this week.

Any local organization or a group formed just for the course, is eligible to participate, Dobry explained. Since over 150 local residents already have completed the course, discussion leaders can be provided for any groups needing them, he added.

The instructional material is provided at a nominal charge.

Graduates of the course will be honored at a "Dinner and Luncheon" at noon Wednesday, Sept. 14, at the YMCA. Cong. Melvin Price will be guest speaker. The courses already finished were held at the Chamber of Commerce, Granite City Steel Co., Union Starch and Refining Co., A. O. Smith Corp. and American Steel Foundries.

SOCIETY

Evening Guild
Nominates
For New Year

The following officers were nominated for the coming year at a meeting of the Evening Guild of St. Peter Evangelical & Reformed Church, 21st street and Cleveland Blvd., last night. The staff will include Mrs. Marguerite Bergner, president; Mrs. Genevieve Grady, vice-president; Mrs. Helen Presley, secretary; and Mrs. Mildred Fehling, treasurer.

Miss Clara Hoelscher, the retiring president, was in charge and devotions were directed by Mrs. Betty Claus, assisted by several members of the group who presented a one-act play on Africa entitled "The Edge of the Village".

Miss Hoelscher reminded the members of Meditation Days to be held at Eden Seminary in St. Louis Sept. 10-11, and the Country Fair on Nov. 12 was discussed.

Refreshments were served to 37, including two guests, Mrs. Kathleen Baumeier and Mrs. Betty Jo Bartels, by a committee composed of Miss Leona Wintermyer, chairman, Mrs. Pearl Ward, Mrs. Nina Volkmar, Mrs. Esther Zimmer, Mrs. Lucretia Wright and Miss Thelma Weisenborn.

New Committees Named By P&PW

The first fall business meeting of the Quad-City Business and Professional Women's Club was held at the YMCA last night under the direction of Mrs. Yerna Lengyel, who announced her selection of committee chairmen for the coming year.

Those serving will be Mrs. Dolores Allen, program coordinator; Mrs. Ruth Huxel, finance; Mrs. Vernice Wortmann, international relations; Mrs. Marie Hampton, membership; Mrs. Paula Smith, career advancement; Mrs. Edna Kohlbrecher, legislation; Mrs. Gabrielle Pettinec, public affairs; Miss Dorothy Davis, public relations; Miss Lee Schaefer, health; Miss Joe Leslie, national security; Mrs. Alice Dombrosky, ways and means; and Mrs. Pearl Ryckman, publicity.

A report on the scholarship fund was made by Mrs. Allen, and an invitation was read to a meeting of the Altus Club Sept. 20. Plans were also made for a tea Nov. 13, and Mrs. Dombrosky was named chairman of the committee in charge.

The program for the first dinner meeting of the season Sept. 21 was announced, as was the program for Business Women's Week to be observed Oct. 2-8.

Eta Alumnae Chapter Meets

Mrs. Irene Cook and Miss Irene Hayes were co-hostesses to Eta Alumnae Chapter of the Phi Tau Omega sorority at a meeting held at the Rose Bowl last night. Twenty were present, including a guest, Mrs. Betty Grossman of Ladue.

Prizes in the games went to Mrs. Irene Lewis, Mrs. Ruby Overbeck, Mrs. Margaret Holland, Mrs. Melba Tarpoff, Mrs. Bernice Grzesk, Mrs. Helen Hoelscher and Miss Celestine Lucas.

Webster PTA Board Meets

The first fall meeting of the executive board of the Webster school PTA was held Tuesday evening at the school. Don Seitzer, president, was in charge.

Plans for the coming year were discussed, and the program was explained by the program chairman, Mrs. Josephine Ross, who reported that Dr. Harold Kaiser, superintendent of schools, would attend the regular meeting Monday evening, Sept. 12, to discuss the rapid growth in school population. Nine officers and committee chairmen were present at Tuesday's meeting.

Get Together Club Meets

Mrs. Harold Kienle, 2323 Grand avenue, entertained her club, the Get Together, Wednesday afternoon.

After a one o'clock luncheon, there were card games and prizes were won by Mrs. Herbert Buehner, Mrs. Cliff Halbert and Mrs. Harry Jackson.

Mrs. Charles Knecht, 2103 Manley avenue, will entertain the club at the Oct. 5 meeting.

WEDDING ATTENDANTS
Mrs. Maxine Adams, a sister of the bride, and David Webb, were attendants at the recent wedding of Miss Violet Keeton, a daughter of Mr. and Mrs. Riley Keeton, 2611 West 22nd street, and Bruce Harrison, son of Mr. and Mrs. George Harrison of Glen Carbon, at Second Baptist Church in this city.

Garden Study Club Plans To Attend Regional Meeting

Mrs. Harry T. Lewis, 2639 Edison avenue, entertained the Garden Study Club at the opening meeting of the season Wednesday.

A desert luncheon was served at 1 o'clock to 17 members and a guest, Mrs. Ralph Miller, and plans were made to attend a semi-annual meeting of Region Five, Garden Clubs, Sept. 22 at First Presbyterian Church in East St. Louis, and another meeting sponsored by Region Seven in Carbondale Oct. 26-27.

Mrs. Arthur Roman, program chairman, introduced Mrs. Dan Seymour, who discussed "The growing of 22 Varieties of Dahlias" and exhibited one variety which had been grown in her family for 40 years.

Mrs. Seymour conducted the business session, and the members responded to roll call with vacation highlights.

Taking the place of the next regular meeting Oct. 5 will be a trip by the club to Shaw's Garden in St. Louis to tour the new plant climatron and the National Federation of Garden Clubs Home.

Madison Church To Mark 60th Anniversary

The Ladies' Sodality and church board met jointly Tuesday night to complete plans for celebration of the 60th anniversary of the Nativity of the Virgin Mary Eastern Orthodox Church, 416 Ewing avenue, Madison.

His Grace, Bishop Dimitri, will come here from New York to officiate at a pontifical divine liturgy on Sunday, Sept. 18, to be followed by a banquet. On the previous day, Sept. 17, vesper services will be held and the bishop will be honored by the Sodality at a tea.

During his stay, he will be the house guest of Mr. and Mrs. Vladimir Fryntzko of Granite City.

Mrs. Gushleff Hostess For Circle

A lesson, with three skits taken from the program book, "The World In Our Midst," was given at a meeting of the Dorcas Circle of Niedringhaus Memorial Methodist Church in the home of Mrs. Irene Gushleff, 3103 Fehling road, Tuesday evening.

Mrs. Verna Willmott, leader, was in charge and the meeting opened with a circle of prayer by the group.

Plans were made for the annual bazaar early in December and the year's program was outlined. Miss Janet and Miss Mary Gushleff played several organ selections and there were hymns played by Mrs. Dora Grafford.

Fourteen were present including the following guests: Mrs. Vernice Barnett, Mrs. Jane's Harmon, Mrs. Laura Kent, Mary Ann and Janet Gushleff.

Refreshments were served by the hostesses, assisted by her daughters.

WMS Meets

At Brown Home

The Woman's Missionary Society of Emmanuel Baptist Church on Pontoon Road, met Tuesday evening in the home of Mrs. Harriet Brown, 1828 Spring avenue.

The program was directed by Mrs. Helen Hamm, with Mesdames Lucille Crews, Alice Phillips, Ellen Badgett, Edna Stagner and Stella Lewis taking part. The business meeting was conducted by Mrs. Wanda Woodard, and Mrs. Peggy Barr, the incoming president, was introduced. State Mission Week Sept. 12-16 was announced with services to begin at 1 p.m. each day at the church.

Approximately 17 members were present at Tuesday's meeting.

Health Board Lecture Heard By GC Rotarians

The Granite City Rotary Club was visited at its Tuesday meeting by Milton Morris, member of the Madison County Health Department planning committee, who presented colored slides depicting dumping grounds and contaminated areas in the county.

The slides accompanied a talk in which Morris contended that health hazards depicted would not exist if the proposed health district would be approved by voters. Program Chairman Gerald Broadway said the talk was well-received by some 45 Rotarians assembled in the YMCA for the luncheon meeting.

Net proceeds from the horse show held Aug. 28 should be slightly in excess of last year's \$2050, it was announced. The proceeds will be used for charitable purposes as in the past.

A. H. Gehlert will be next Tuesday's program chairman.

\$2850 Venice Permits

Building permits issued in Venice during August, authorized construction valued at \$2850. The permits were for a \$2000 frame garage, 21x23 feet, to be built by Dr. John E. Lee, 1230 Klein street; remodeling of a 12-apartment building at 118 Bremen road by Louis Pitter at a cost of \$700; and a \$150 concrete 8x10-foot porch at the home of Floyd Andrews, 305 Slough road.

Extra Competition For 1961 License Numbers

The scramble for choice 1961 state passenger automobile license plate numbers under the new letter-digit system is on. Although the deadline for seeking letter numbers to match an applicant's initials, telephone number or street address is some distance away, Secretary of State Charles P. Carpenter's office already is swamped with requests.

First applications for next year's passenger car license plates are expected to be available in approximately two weeks with the deadline for requests for reassignments or new numbers being midnight October 31. After that applications will be filled on a catch-as-catch-can basis. Requests and reassignments last year are said to have been above the 300,000 figure.

Under the new system, details of which were announced by Secretary Carpenter earlier this month, plates with a two letter prefix, and four numbers will be issued to cover all numbers above \$99,999. This leaves the holders of numbers below one million with the right to keep present digits but those above one million will get an entirely new identification, thus the early deluge.

Prefix letters under the new system will start with double "A"s and continue through "Z"s after which a prefix will be available in which the first letter is "A" through "Z" and the second letter is "A" through "Z." Numbers following all letter prefixes will start with 1000 and go through 9999. When all double letter prefixes are used, two letter prefixes will be available.

Omitted in the prefixes will be the letters I, O and Q because of their similarity to numerals and the combination "BM" and "DL" because they will be required for vehicles in the non-passenger car categories. The letter-digit system was recommended by the University of Illinois.

State-owned cars will have a new "U" prefix to distinguish them from vehicles owned by other units of government which along with the state are now using the prefix "M." The letter prefix "U" was selected, Carpenter said, because it has never been used on Illinois license plates and will therefore be a distinctive identification for state-owned vehicles.

Secretary Carpenter admits the new system may bring a heavy flood of requests by motorists who want a number in a series fitting the initials of their first and last names and that he will honor them unless they get out of hand, or clutter up the work of his automobile department. In that case, except for reassignments, all applications will be thrown in the hopper. The state slogan, "Land of Lincoln," Carpenter said, is good advertising for Illinois and brings thousands of tourists and vacationers into the state. The change in the licensing system is the only one since 1912, the first year the year of license stamped on the plate. In the

Hospital Auxiliary To Hold Rummage Sale

A special rummage sale, with all proceeds going to the St. Elizabeth Hospital renovation fund program, will be held Saturday at Odd Fellow's hall, Mrs. Elizabeth Kelly, hospital auxiliary president announced today.

The sale featuring a wide assortment of clothing, furniture and knick-knacks will open at 8 a.m. and continue through noon in the hall, located at 20th street and Grand avenue.

Mrs. Kelly reminded auxiliary members that the group will meet tomorrow at 8 p.m. in the hall to make sale preparations. Persons wishing to make contributions, may do so by contacting the sale chairman, Mrs. Martha Seebold, or any committee members: Mrs. Dorothy Partney, Mrs. Marie Hampton and Mrs. Helen Bergfield.

first year of licensing, 1911, no year was carried.

While Oct. 31 is the deadline for requests for reassignments of plates below a million and for preferred numbers under the new system, the actual plates will not be available until December. When assigned and requested new numbers will reach applicants through the mails while main numbers will be available for over the counter sale in the secretary's Chicago and Springfield offices.

Mercer Can Gain I-C Blue Division Championship With Victory Sunday

Mercer Funeral Home will get a golden opportunity to sew up the championship in the 1960 Illinois Inter-City Baseball league on Sunday morning when the Granite City club travels to Jones Park in East St. Louis for a final meeting with McAteer Glass.

Mercer leads the second-place Glasmen by two full games, while both clubs have only two contests remaining on their respective schedules before the division playoffs begin.

Those games, it so happens, all will be played Sunday. Following the morning meeting, Mercer will host Highland at Wilson Park at 2:30 p. m., while McAteer will wrap it up at White City in another afternoon game.

Should the Ollie Miller-Dick Portell combo down McAteer in the morning, the title in the Blue division will go to the Mercers. However, if East St. Louis should triumph, Mercer's lead will be cut to one game and the loop championship will not be determined until the outcome of the afternoon games is known.

Mercer Needs Split

At best, Mercer can only hope for a tie; a split of Sunday's activities would give the local squad the top spot regardless as to the outcome of the McAteer encounters.

Miller said today he plans to send right-hander Jack Buente in search of the title in East St. Louis Sunday morning. "If Buente wins, they'll come back

with Joe Holder in the afternoon game," Miller predicted. If McAteer is the winner Sunday morning, then the Mercer ace, Andy (8-1) Angeloff probably will get the call for the Wilson Park battle with Highland.

Mercer, incidentally, has clipped the VFW squad from Germantown on two previous occasions this summer, 22-5 and 6-0. McAteer and White City have split a pair this season. White City winning 9-4 in the two teams' first meeting, and the Glasmen taking the second contest, 3-1.

Hearts Will Finish 2nd

Granite City Sacred Heart is destined to finish in second place in the Red division this season, regardless of what happens in any or all of Sunday's games. Collinsville's McMackin Bulk name has the title all sewed away after winning two of three games during the past weekend, and third-place State Savings of East St. Louis cannot close a two-game gap against itself and the Hearts in just one week despite a Sunday afternoon date with the Hearts at Jones Park.

Savings-Heart Playoff

State Savings, by finishing third, makes the playoff round anyway, and will meet the Hearts at Wilson Park on Sept. 18 in a single game which will produce a winner that in turn will battle the Bulkmen in the next week for the Red division playoff crown.

The three-place finisher over in the Blue division is still undecided. Right now, Highland and White City are deadlocked for

'Y' Women's Department Offers 7 Swim Classes During Fall, Winter

Seven separate swimming classes, including an unusual mother-tot class, are scheduled during the fall and winter months in the women's department at the local YMCA, Mrs. Lee Pfaff, women's director, said today.

The mother-tot class, already underway at the "Y" pool, meets from 1 to 2 p. m. each Tuesday and from 3:30 to 4:15 p. m. on Thursday, the latter class being for an advanced group.

These unusual classes are designed to acquaint children under eight years of age with the water, and the YMCA feels that the mother and child are inspired in the pool when lessons are given.

During the fall and winter months, women's recreational swimming periods will be held from noon to 1 p. m. Monday through Thursday and from 8 to 9 p. m. on Tuesday and Thursday.

Family Swim Periods

Family swim periods are on Monday from 7 to 8:30 p. m. and on Saturday between the hours of 2 and 3:30 p. m.

Adult swimming instruction, given by qualified "Y" personnel, is available to beginners from 2 to 3 p. m. and from 7 to 8 p. m. on Tuesdays, and intermediate and advanced swimmer classes are held on Thursday from 7 to 8 p. m.

An adult lifesaving class will begin in March of next year, with instruction for water safety instructor candidates in April. Information on all classes, especially the latter two, may be had by calling the YMCA.

The beginning swimmer classes will get underway next Tuesday, and the intermediate and swimmer classes next Thursday. All will run for 12 sessions.

Synchronized Swimming

The final class, which includes instruction for advanced swimmers in synchronized swimming, is scheduled at the YMCA pool each Monday evening between 8:30 and 9:30. It will run for an indefinite period, resuming during the Christmas holidays.

Venice Begins Fall Baseball Practice; 1st Game Sept. 13

Seven lettermen were among a squad totaling 26 players who reported to the first fall baseball practice session at Venice high school, Coach Zahn Wells said today.

The Red Devils, who will open a seven-game season on Sept. 13 at Livingston, finished second in the Madison-Bond-Clinton counties conference last fall. Included on the schedule are four home games at Lee Park, where the squad is holding daily afternoon workouts.

Lettermen back this year are seniors John Corrie, John Koelker, Bill Shamro and Larry Grey and juniors Don Devary, Jack Fields and Ray Shamro.

Rounding out the squad are Ralph Hackney, Ronnie Ochso, Frank Bartlett, John Genterman, Dan Moed, Bill Austin, Gerald Cicio, Bill Cowley, Peter Fields, Harold Koelker, Frank Scaturro, James Kutz, Bob DuBoise, Mike Edwards, Don Marquis, Dick McIntosh, Ken McMullen, John Robertson and Paul Svezia.

Time To Apply To IVC For Educational Aid

Ralph B. Johnson, administrator of the Illinois Veterans' Commission, has issued a reminder to all mothers and guardians of children of certain deceased veterans who died during a war period of from a service-connected disability incurred during a war period. It is again time to contact their nearest Illinois Veterans' Commission Office and file for the state educational benefit under the Veterans' Children Educational Opportunities Act, he said.

He added that this act provided \$150 per school year to certain children of deceased world war I, world war II and Korean veterans, between the ages of 10 and 18 years, who are currently enrolled in a school in the state of Illinois.

Johnson also said the benefit is payable only for the school year in which the claim is filed, and that the claim must be filed by June 30. It must be filed each year during the age period the child is eligible.

Over 2425 children in the state received this aid during the 1959-60 school year.

In Madison county, veterans should contact IVC Service Officer Joseph D. Wetton at the city hall in Granite City. The office is open Monday through Friday between 8:30 a. m. and 5 p. m.

Will obsolete, makeshift wiring
spoil your chances of selling your house?

Your house may be a good house, well-built, substantial. But if the wiring is inadequate and out-of-date, the resale appeal of your house goes down—and so does the money you may some day hope to get out of it!

Today, house hunters demand a wiring system with plenty of circuits and outlets... including 240-volt circuits for certain major appliances. They want a wiring system that will handle all modern electrical conveniences. A house equipped with an adequate wiring system is easier to sell and worth more to the buyer.

Home wiring modernization is not just an expenditure but an investment—one of the best basic investments a homeowner can make. Bankers and savings and loan officials know this, and are glad to finance this work on convenient monthly terms.

So delay no longer. Rewire! Talk it over with your electrical contractor now.

New GC Construction Hits \$1,257,650 During August

New construction, booming in Granite City under the August permit, totaled 106 permits for the month and totaled \$1,257,650. However, the figure is still being revised as the established during July 1958, when construction here skyrocketed to \$4,983,300.

During the past month, nine commercial permits totaling \$625,350 accounted for most of the construction, closely followed by 19 permits to construct 31 dwellings valued at \$315,400.

Next came 59 permits for home remodeling and repair jobs totaling \$62,890; 15 for garages and carports at \$12,210; a new church costing \$58,000; two for house trailers on vacant lots at \$7,000; and a miscellaneous permit, \$4,000.

13 Dwellings

Swelling the final week's permits to \$221,546 were five permits authorizing building of 13 dwellings, 10 of them in the Devonshire Subdivision.

Each Devonshire home is to cost \$14,900, ranging from a total of \$149,000. Kent Realty Co. was recipient of the permits, which provide for five rooms and bath, without garage, in each case. Finished in brick veneer, the homes will be located at 2424, 25, 28, 32, 33, 36, 37, 40 and 44 Kilarney avenue.

The other three dwelling permits were issued to Otis Farless to construct homes in Shamrock Gardens. Two are for identical five-room-and-bath brick veneer homes, with garages, costing \$18,500 each, at 3124 and 3128 Ash avenue. The third will cost \$18,700, contain one less room, but have a fireplace at 3117 Ash avenue.

Commercial Projects

Four commercial projects were given green lights by City Building Inspector Earl Bloomberg and City Clerk A. L. Stevens.

Madison Permits Total \$43,300

Construction of three new buildings was included among the 11 building permits totaling \$43,000 approved by Madison Building Inspector Steven Kaman during August.

Permits were issued to Haven Hicken for 30x50-foot concrete block and brick commercial building at 406 Madison avenue, costing \$20,000; Kira Nemoff for a four-room, 26x34-foot brick home at 1420 Eighth street, valued at \$9,800; and Leola Garrett, a five-room, 30x48-foot frame residence costing \$6,500 at 300 West Third street.

Earl Hancock plans a frame 20x24-foot garage costing \$1,000 at 2025 Beckwith street; Joseph Bolt, 12x22-foot frame garage with concrete floor at 1316 Iowa street, valued at \$500; and William H. Schewe, frame 20x24-foot two-car garage, 1281 Rhodes street, costing \$700.

Andrew Yurko obtained a permit for brick veneer premises at 1217 Grand avenue, to cost \$24,000; Jerry Maers, remodeling of the front and basement and addition of new windows and doors at 811 Iowa street, valued at \$1,000; Louis Kofine, front porch and application of asphalt siding at the 1020 Iowa street residence, \$500; Ernest Carlson, floor replacement and minor repairs to the front porch at 1803 Sixth street, \$100; and Orville Daley, new footing, basement and repairs at 1528 Second street, \$800.

67,000 Korean Bonuses Paid By State So Far

Payment of claims for the Illinois Korean Veterans' Compensation Benefits is progressing rapidly, Joseph D. Wilson, Illinois Veterans' Commission reported today. Totals of 83,300 living and 29,900 beneficiary claims have been received.

All beneficiary claims and 70,000 claims of the living veterans have been processed, with the exception of those with irregularities. He said many claims are found to be irregular. These must be corrected before approval can be granted.

Chechos have been sent to 646 living veterans and 1960 beneficiaries, and \$8,034,300 has been paid.

The irregular claims are set aside for follow-up correspondence. This necessitates considerable delay. Approximately 500 beneficiary claims remain unpaid for that reason. Denial is principal cause of delay. Denial is principal cause of delay.

Wetton said it has been necessary to deny a small percentage of the claims. Denial is principal cause of delay. Denial is principal cause of delay.

Outdoor Square Dance Here Tomorrow Night

A free public square dance will be held from 8 p. m. to 10:30 p. m. Friday on the parking lot of the Belmore Village shopping center, it was announced this week by Harold Major, who will serve as caller.

Arranged by square dance groups in this area, the program will be open to all those familiar with the steps, and the public also is being invited to attend as spectators.

Royal Miller, 2309 East 24th street, chairman of the event, said the program will feature favorite square dances of past seasons, and tips will be given on learning the easy phases of modern western square dancing. Classes for beginners are being planned here. The first will start Sept. 27 at the Sacred Heart social center.

SCHOLARSHIP WINNER, Lawrence Ashley, who has received a three-year full tuition grant of the University of Illinois. He is the son of Mrs. Chester Ashley of 1737 Third street, Madison.

Ashley Awarded 3-Year Scholarship To U of I

Lawrence Ashley, 18, son of Mrs. Chester Ashley of 1737 Third street, Madison, has been awarded a three-year full tuition scholarship to the University of Illinois, according to an announcement made by State Rep. Lloyd "Curly" Hare this week.

Ashley, a May 1960 graduate of Madison senior high school, was granted the scholarship, good at any state school, on the basis of his scholastic record while a high school student.

He plans to major in business administration at the University of Illinois. Announcement of the award came after Ashley had applied through Rep. Harris.

Bowland Schlitz Rolls Revere Room In SIBA Saturday

Bowling teams in the Southern Illinois Bowling Proprietors' Association "Traveling" league, with many new sponsors but basically the same personnel who have made up the squads for the past two seasons, will roll the second round of the young season Saturday night at Bowl Haven in Alton.

Granite City's Bowland Schlitz, tied for third place with Loman's Bowlers Shop of East St. Louis, is matched with Revere Room Club of Collinsville, one of two teams that swept opening series two weeks ago. The league did not roll over the Labor Day weekend.

Ripley Bowling Pins of O'Fallon, the other aggregation with a 3-0 mark, meets 1-2 Rusty's from Wood River Bowl, Bowl Inn of East Alton pairs with Loman's and Palstaff Beer rolls against Black Label Beer of Belleville in other action. The matches will get underway at 9 p.m.

New Subdivision; City To Grow By 6.05 Acres

Granite City is to grow another 6.05 acres.

Council members placed on first reading Tuesday night an annexation petition and related ordinances submitted by Henry Ross and wife, Edith, owners of the subdivision to be known as Dream Villa.

Maurice Dailey, attorney for Ross, asked the council for immediate acceptance of the annexation and plat ordinances, but Aldermen Casner, Skubish and Samuel Shackelford called for first reading to give them time to study storm water drainage. "We want to make certain the line does not connect into an overlaid line in the Glenview subdivision area, where difficulties have been encountered."

Dailey said the drainage plan had been approved 2½ months ago by the Board of Local Improvements and the city's former engineer.

Dream Villa subdivision, containing 23 lots, is located south of Westchester subdivision and north of Shamrock Gardens subdivision. Two of the streets in it are Devon drive and an extension of Franklin avenue.

Approved by the council was a petition for resubdivision and plat for Eads subdivision, consisting of three lots on Pershing avenue at Garden drive. The petition was submitted by Gertrude Eads, owner of the tract in American Gardens subdivision.

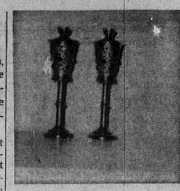

Candlesticks Donated To St. Bartholomew's

A pair of Finnish candlesticks, more than a century old, have been donated to St. Bartholomew's Episcopal Church, the Reverend David E. Nyberg announced today.

He said the candlesticks, first used at a wedding last Saturday, will be used regularly at services and other ceremonies. Believed to be made of brass, the 20-inch candlesticks are valuable because of their antiquity, he said.

The candlesticks, a memorial to the late Edith Magnus Hartmann, are a gift of her son and daughter, Otto Hartmann of Granite City, and Amelia Mae Hartmann Pence of Hot Springs, Ark.

Lantern-like, the candles burn throughout the ceremony inside

Eagles Auxiliary Plans Sale

A meeting of the Eagles Auxiliary officers and chairman took place Tuesday evening at the Eagles Home with Mrs. Viola Carey presiding. Final plans were made for a rummage sale Sept. 17 at the Legion Home in Venice and Mrs. Theresa Daigler was appointed membership chairman to fill the unexpired term of the present chairman whose resignation was accepted.

Other business was conducted and the regular meeting of the Auxiliary was announced for Sept. 13. Eleven were present and the prize for the evening went to Mrs. Carey.

VACATIONIST RETURNS

Miss Charlotte Hazelwood, 2929 Myrtle avenue, has returned from a vacation of two weeks in Texarkana and Dallas, Tex.

MISS MARYANN TOTH, daughter of Mr. and Mrs. Julius Toth, 2654 Edwards street, who entered DePaul Hospital Training School for Nurses Wednesday, Miss Toth, 18, and a January 1960 graduate of the Granite City high school, is sponsored by the Women of the Moose, Chapter 247.

Trio Unit Hears Mrs. Wendler

The major lesson on "Why When and Where Credit is Useful" was given by Mrs. Elaine Wendler, county home advisor, at an afternoon meeting of the Trio Unit of the Madison County Home Bureau in the home of Mrs. June Lux, 2576 East 27th street, Tuesday.

A dessert course was served by the hostess before the program and business session to 17 members and a guest, Mrs. Ethel Lorentz.

The selective subject given by Mrs. Clara Schilling and Mrs. Edna Buenger was "Ways To Use Canned Soups." In keeping with this the members responded to roll call with "Suggestions on Using Canned Soups."

Prizes were won by Mrs. William Branding, Mrs. Mary Cochran, and Mrs. Mary Alice Weiss. The next meeting is to be with Mrs. Lorraine Highlander on Central avenue Oct. 3, when the major lesson will be "Sleeping Fashions for Living."

GOLDEN WEDDING, Mr. and Mrs. William O. McGriff, 2609 Cayuga street, who will observe their golden wedding anniversary by holding open house for friends and relatives Sunday afternoon at the YMCA.

Wm. McGriffs To Observe 50th Anniversary On Sunday

Mr. and Mrs. William O. McGriff, 2609 Cayuga street, will hold open house Sunday afternoon from two to five o'clock at the YMCA in honor of their golden wedding anniversary.

The couple was married at the Humphries Creek Christian (Newlight) Church in Miller County, Mo., Sept. 11, 1910. Shortly thereafter they moved to St. Louis where they resided until 1921 when they moved to Granite City.

Mr. and Mrs. McGriff have two daughters, Mrs. Hubert (Louisa) Hall of Rural Route One, and Mrs. Charles (Lorene) Wilkins, 2503 Palmer avenue, nine grand-children and six great-grandchildren.

Mr. McGriff retired from the General Steel Castings Corp. pipe shop department six years ago. Both have been members of the First Assembly of God Church for the past 39 years. All of their friends and relatives have been invited to the reception.

LADIES COTERIE WILL OPEN SEASON
The first fall meeting of the Ladies Coterie, one of Granite City's oldest federated clubs, will be held Thursday, Sept. 15 in the home of Mrs. Harry T. Lewis, 2630 Edison avenue.

Mrs. W. G. Cooley, president, will be in charge and Mrs. Fred Womer will serve as program chairman.

RETURN FROM NEW YORK
Dolores Jean and Bobby Nickles of the Bluff road, formerly of Granite City, have returned to their home from New York City. They accompanied their sister, Mrs. Richard Dorch and her children, Denna and Ricky to their ship, the SS United States, for their trip back to Belgium where Mr. and Mrs. Dorch are engaged in missionary work. While in New York the party toured the ship and also visited places of interest in the city.

DeMolay Mothers' Club Meets

The DeMolay Mothers' Club met Tuesday evening at the Masonic Temple with Mrs. Pauline Sentiff, president, in charge.

The chief topic for discussion during the business session was the rummage sale which the group will hold Oct. 1.

The meeting opened with prayer by the chaplain, Mrs. Marge Pinson, and the birthday bells were rung for Mrs. Lucille Webb.

Hostesses for the evening were Mrs. Alberta Walker, Mrs. Lillie Chaboudie and Mrs. Lucille Lipe. Games provided entertainment and a number of prizes were awarded. Refreshments were served to 14 members.

ORDINANCE NO. 756

An Ordinance amending Section 5 of Ordinance No. 736 of the City of Madison, Illinois, entitled: "An Ordinance Providing For The Regulation and Operation of Semi-actuated Traffic Control Signals at Intersections of Cross-Walks at the Intersections of Madison Avenue and Third Street and Madison Avenue and Twelfth Street, and Providing a Penalty for Violation Thereof."

Be it ordained by the City Council of the City of Madison, Illinois:

Section 1. That Section 5 of Ordinance No. 736 of the City of Madison, Illinois, entitled: "An Ordinance Providing For The Regulation and Operation of Semi-actuated Traffic Control Signals at Intersections of Cross-Walks at the Intersections of Madison Avenue and Third Street and Madison Avenue and Twelfth Street, and Providing a Penalty for Violation Thereof," passed by the City Council January 20, 1960, and approved by the Mayor on January 26, 1960, be and the same is hereby repealed, and the following is hereby enacted as Section 5 of said Ordinance:

"a. All semi-actuated traffic control signals may, at the discretion of the Chief of Police of the City of Madison, be operated as flashing stop signs in all directions approaching each of the intersections by causing said semi-actuated traffic control signals to radiate red rapid intermittent flashes of light."

"b. When a red lens is illuminated by rapid intermittent flashes of vehicles shall stop before entering the nearest cross-walk at an intersection or at the yellow line, when marked, and shall remain stopped until the white strip of each cross-walk, and the right to proceed shall be subject to the rules applicable after making a stop at a stop sign, as set forth in the Ordinance of the City of Madison."

Section 2. This Ordinance shall be in full force and effect immediately upon its passage and until its repeal or amendment as provided by law.

PASSED this 6th day of September, A.D. 1960.

GC Township Relief Cases Down

Relief cases declined in Granite City township during August, but applications already are increasing this month, it was learned today from the office of Supervisor Leonard Oram.

Last month, there were 38 cases with 108 persons and relief costs amounting to \$3325. Total relief costs for the current month, now amount to \$19,637, as compared to \$26,815 for the same period in 1959.

The August cases compare to July figures of 46 cases with 140 persons and costs of \$3007. In August 1959 the totals were 52 cases with 177 individuals and costs of \$3199.

Son Born To Former Resident

Former residents of Granite City, Mr. and Mrs. Richard Tate, now of St. Louis, are announcing the arrival of their first child, a son, whom they have named Richard Brian. The baby, born Aug. 21st at Jewish Hospital, weighed five pounds, two ounces. The mother is the former Edith Castiel of Granite City. The couple has been residing in Oakland, Calif., but returned recently to this area.

Nameoki Relief Cases Decline

A drop in relief cases during August was reported today for Nameoki township by the office of Supervisor Harry Briggs. The decrease was seasonal and no, the result of the work program instituted last month for able-bodied men on relief.

The August patronage amounted to 43 cases with 167 individuals and costs of \$3240, as compared to the July totals of 59 cases with 239 persons and costs of \$3974. In August 1959, there were 26 cases with 113 persons and relief costs of \$1952.

Sidewalk To Be Installed By City On Benton At Park

Construction of a new sidewalk on the west side of Benton street, extending from Oregon avenue south to an existing sidewalk opposite Wilson Park, was authorized Tuesday night by Granite City council members.

Safety for school youngsters now forced to walk on the roadway pavement was stressed by Alderman Charles Meyer in requesting the sidewalk, estimated to be 125 feet long.

Meyer pointed out a sidewalk existing for a block along Benton street north of 27th street, and then stops. "Now, there is a new sidewalk all along Pehling road in the Lueders Park Estates subdivision, but there is that section where none exists and children must walk in the street," he added.

Meyer also called for an expansion of curb repairs and he asked the Street and Alley committee to explore the possibility of securing state motor fuel tax funds for the work as well as using the city's parking meter reserve.

Challenge Curb Proposal

The proposal was challenged by Alderman Walter Nonn, who said most, if not all, of the city motor fuel tax fund allocations already were earmarked for projects and very little would be available this year. Alderman Samuel Whitmer, chairman of the Street and Alley committee, said the street department budget had been set for this year and every effort is being made to keep within it.

Meyer then asked for the studies to be made for work next year, and if funds could be found this year, for some work to be scheduled. "We'll have greater expenses in the future, if we don't carry out needed repairs," he told council members. "We clear about \$50,000 a year through parking meters."

Plans are to be prepared for improvement to West 24th street between Missouri and Ohio avenues. Alderman Paul Rutledge said the street was designated an arterial thoroughfare by the state earlier this year, and motor fuel tax funds should be available for paving and curbs.

Driver Fined For Leaving Accident

Joseph Graham, 37, of 2233 Benton street, was arrested by Granite City police yesterday and charged with leaving the scene of an auto accident. He pleaded guilty before Police Magistrate Gasparovic and was fined \$50 and costs, plus \$5 and costs to charges of careless driving and following too closely.

The accident occurred on Washington avenue at 26th street Tuesday afternoon. Police said Graham's auto struck the right rear of an auto driven by Guy F. Love, 64, of 2703 Myrtle avenue. Both were traveling north on Washington avenue.

Broken Water Main

Water gushing out of a broken main at 2900 Missouri avenue was reported to Granite City police at 6:45 a.m. yesterday. The water company was notified, police said.

Housing Board Boosts Payments To Agencies

The Granite City Housing Authority notified city council members Tuesday night it was voluntarily increasing its shelter rent payments in lieu of taxes to 10% of annual rent collections on the 131 units in the older section of Kirkpatrick Homes low-income housing project.

The authority had earlier set a 10% payment for the newer 300 apartment units, and in past years had been paying an overall 10% figure, even though the agreement calls for 2% on the older units. A resolution setting forth the 10% payment is to be presented to the city at its next council session.

Last year, the housing authority's payment in lieu of taxes amounted to \$15,994, of which \$2829 went to Granite school district, \$3611 to the city, \$1965 to the levee district, \$1072 to the county, \$619 to Granite City township and \$469 to the Granite City park district.

Since the project is located on federally-owned property, no real estate taxes are paid, and the percentage of shelter rent is paid to taxing agencies in lieu of taxes whenever funds are available.
